Resolved. That this meeting immediately telegraph the governor of the state of Oregon and request the governor to request the secretary of war to instruct the proper officers in this state to at once inestigate the matter and if found to be dangerous to life and property to have

the same removed.

The resolution was unanimously adopted. The following committee was appointed. Messrs. Schuring, Brant, Scoelling, Peterson and Hayden to confer with the governor and send him the resolution.

Thos. Dealy stated that it would be necessary to have a plain understanding whether the fish traps would be removed or not: that the traps should be removed, but that it would not do to commit any act that would get any one into trouble; whatever was done should be done in a lawful way and a date wined. wantever was done should be done in a lawful way and a determined effort should be made to have the traps removed legally. The traps were not within the jurisdiction of the governor, but he thought that the governor would aid in bringing the matter before the secretary of war. He thought it would be well to take the secretary of war. be well to take up a collection to defray the expenses of telegraphing, etc., which was done, the sum of \$7.85 being thus realized. The meeting then adjourned to meet at the call of the president.
