The Bride and the Wedding Cake.

A young lady about to be married A young lady about to be married wanted to startle the guests with an exhibition of her ability in house-keeping and cookery. So she made the wedding cake. The day after the wedding, most of those who ate the cake were sick. Thousands go from year to year, eating such indigestible things, and are consequently ill with things, and are consequently ifl with dyspepsia nearly all the time. Mrs. Nancy Collier, Tuscaloosa, Ala., says, "My niece has been relieved of dys-pepsia and lung troubles by using Brown's Iron Bitters."

Experiments prove that about 30 per cent. of mankind can be subject-

ed to mesmeric influences. Mr. Authur Bent, New York, who was cornetist to the Queen of England, states he had an alarming swelling of the knee. He used St. Jacobs Oil, and in a short time he was cured.

The cost of each saloon to the city of Indianapolis last year was \$153, and the license only \$52.

A Startling Discovery.

Physicans are often startled by re-markable discoveries. The fact that Dr. King's New Discovery for Consumption and all Throat and Lung diseases is daily caring patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery; resulting in hundreds of our best Physicians using it in their practice Trial Bottles free at W. A man loves his home because it is a refuge. He also loves it because there he is a great man; there he is governor, or at least he is lieutenantgovernor. And anyhow he is certain to be secretary of the treasury. The world forgets us when we pass away, but the home love forgets our vices; exaggerates our virtues until they outnumber the stars in the heavens, and hands our names down, as long as the estate holds out.

"I Don't Feel Like Work."

It makes no difference what business you are engaged in; whether you are a you are engaged in: whether you are a preacher, a merchant, a mechanic, a lawyer or or a common laborer, you can't do your work well while you are half sick. Thousands try to, but all in vain. How much better to keep your organs in good order by taking Parker's Tonic when you feel "a little out of sorts." It would be money in your pocket.
