It is better to take care of one's health than one's malady.

Two Dangerous Seasons. Spring and fall are times when so many people get sick. The changes in the weather are severe on feeble persons, and even those naturally strong persons, and even those naturally strong are apt, as they say, "to be feeling miserable." Then they are just in condition to be struck down with some kind of fever. A bottle or two of Parker's Tonie will invigorate the digestion, put the liver, kidneys and blood in perfect order, and prevent more serious attacks. Why suffer, and perhaps die, when so simple a medicine will-save you? Good for both-sexes and all ages. and all ages.
