ENGLAND BOUND TO LOSE

What earthly reason, asks a writer in the New York *Sun*, is there for Great Britain to insist upon this or that strip of wilderness belonging to the Afghans, the Russians, the Turcomans, or anybody else? All England has to do is to establish a strong strategic line along the northern boundaries of her Indian possessions. The Russians would no more attack it than the Americans would attack her Canadian dominions. It would certainly be safer for her to have the Russians than Afghans for neighbors. The recent events in her northwestern possessions upon this continent are the best illustration of the difficulty of managing half-breeds or savages. She ought to be glad to see Russia taking upon her the task of civilizing central Asia. As things stand now she is bound to be the loser. Russia has all the men, all the provisions and the implements of war she wants including the printing presses for producing paper roubles. If she is beaten she can safely retire to the Caspian or to her dominions, Khiva, Bokhara, Khakand and Samarcand. But if England is beaten she will be at the mercy not only of some six or seven millions of Afghans, but of millions upon millions of only partly subdued Indian tribes. If these tribes have not courage enough to fight her they will burn the villages on her way of retreat, drive away the sheep and cattle, and poison the wells. The chances of the fight are thus by no means even, and Russia is as impudent as she appears to be, solely because she is aware of all the advantages she commands.

WASHINGTON, May 13.—Among Washington gossip this morning is a story of a disagreement between the president and his strong-minded sister. The latter retired from the White house about a week ago, because, it is said, her principles, which are somewhat rigid, were not respected. Mrs. Lamont, wife of the president's private secretary, is proclaimed as the next lady of the White house.

WASHINGTON, May 13.—The president has appointed a board of officers to report on the fortifications and defenses of the United States.

ECZEMA
And Every Species of Itching and Burning Diseases Positively Cured.

ECZEMA, or Salt Rheum, with its agonizing itching and burning, instantly relieved by a warm bath with CUTICURA SOAP, and a single application of CUTICURA, the great skin Cure. This repeated daily, with two or three doses of CUTICURA RESOLVENT, the New Blood Purifier, to keep the blood cool, the perspiration pure and and unirritating, the bowels open, the liver and kidneys active, will speedily cure Eczema, Tetter, Ringworm, Psoriasis, Lichen Pruritus, Scall Head, Dandruff, and every species of Itching, Scaly, and Pimply Humors of the Scalp and Skin, when the best physicians and all known remedies fail.

Will McDonald, 2542 Dearborn St., Chicago, gratefully acknowledges a cure of Eczema or Salt Rheum on head, neck, face, arms, and legs for seventeen years; not able to walk except on his hands and knees for one year; not able to help himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless; permanently cured by CUTICURA RESOLVENT (blood purifier) internally, and CUTICURA and CUTICURA SOAP (the great skin cures) externally.

Chas. Houghton, Esq., lawyer, 28 State St., Boston, reports a case of Eczema under his observation for ten years, which covered the patient's body and limbs, and to which all known methods of treatment had been applied without benefit, which was completely cured solely by the CUTICURA REMEDIES, leaving a clean and healthy skin.

F. H. Drake, Esq., Detroit, Mich., suffered untold tortures from Eczema, which appeared on his hands, head and face, and nearly destroyed his eyes. After the most careful doctoring and a consultation of physicians failed to relieve him, he used the CUTICURA REMEDIES, and was cured, and has remained so to date.

Mr. John Thiel, Wilkesbarre, Pa., writes: "I have suffered from Salt Rheum for over eight years, at times so bad that I could not attend to my business for weeks at a time. Three boxes of CUTICURA and four bottles RESOLVENT have entirely cured me of this dreadful disease."

Sold by all druggists. Price: CUTICURA, 50 cts.; RESOLVENT, $1; SOAP, 25 cts. POTTER DRUG AND CHEMICAL CO., Boston, Mass.
