> In closing this my third annual report. I desire to congratulate the association on its election in 1884 of Benj. S. Worsley as its president. Not only was the honor merited by him by reason of his having been mainly instrumental in the original organization of our association, but he has ever been enthusiastic in its ad-vancement and support, and in the asso-ciation and tournament of the present year he has been the leading spirit, and labored zealonsly for its success. Thank-ing him and the other officers and mem-bers of the association for their co-operrs of the association for their co-operation and support and hoping we may enjoy an instructive and harmonious

to read "every fire department in Oregon and Washington territory shall be en-titled in this association to two delegates for each company that said department represents. *Resolved*, that the 300 yard wet test which for the last three years has been the only hose contest be consid-ered the championship race until the New York contest be won twice in anc-cession by any company which may be a member of the association. The convention then adjourned to take part in the parade.

EVENING SESSION.

snid: "There has been but one meeting of the board of directors since our associa-tion net in Albany, in August last, which meeting was held at the Gilman House in Portland, on Wednesday, April 7. 1885, at which time no business of impor-lance was transacted, save the approval of the pasgramme of prizes and contests as arranged by the firemen of 1855. The published proceedings of the assoof the pargramme of parzes and contents of the appendix of short of an an and the first of 1865. The published proceedings of the asso-ciation and tournament of 1865. The published proceedings of the asso-ciation and tournament of 1864. The published proceedings of the asso-ciation and tournament of 1864. "Our state association, its objects, aims and purposes," was given a thorough dis-cussed "What class of men are adapted to make good and scecessful firemen?" "Our state association, its objects, aims and purposes," was given a thorough dis-cussed and W. J. Barry gave a practical discussion of "Forest fires and the best method of extinguishing the same." User special committee, consisting of Mesers. Chas, B. Moores and A. F. Wheeler of Salem, and O. H. Irvine of Albany, who last year were appointed to fraw up, present to and urge the passage of a bill by the legislative assembly of

THE PARADE:

A Fine Tura Out-Everybody Pleased.

As the hour for the parade to form drew nigh yesterday afternoon many an anxious eye was turned to the west, where the clouds looked black and heavy. State Firemen's Association and read his numual address. C. J. Trenchard, A. F. Wheeler and Wm. Preston, who reported the following delegates present and entit-led to seats in the convention: ation could be desired. The parade rendezvous was in front of the city hall, and after being formed under the skillful supervision of the grand marshal and his aids, the procession moved. Frst came a detachment of police, then the chief engiaument of poince, then the other engi-neer and his assistants, the marshal and aids, followed by the H. A. C. band, from Salem, which made music along the route. The delegates to the State Fire-men's association took a recess to take

part in the parale and marched after the band, followed by Astoria engine compa-ny No. 1., the engine magnificently dec-ocrated with wreathes of flowers and heavy masses of brilliant blossoms and drawn by four brown horses. Astoria No. I how team was next in line, after Secretary. The following resolutions were adopted: Resolved that section 8 of the rules of this association governing hose compan-ies, be amended so as to read as follows. Sec. 8. No professional runner shall be allowed to compete in any contest. The lerm "professional runner" is applied to one who is following or has followed foot racing as a profession, or means 5 liveli-hood, and current reputation shall be deemed conclusive evidence of such pro-fession which shall be determined by the directors of this association. Resolved, that article VI of the constitution so as to read "every fire department in Oregon and Washington territory shall be en-tited in this association that the tagents. No. 1 hose team was next in line, after No. 1 hose team was next in line, after No. 1 hose team was next in line, after No. 1 hose team was next in line, after No. 1 hose team was next in line, after No. 1 hose team was next in line, after No. 1 hose team was next in line, after the Tiger No. 2 hose team: this was an object of interest and praise along the line of march. Following came the En-company No. 2, their engine glittering in the light and gorgeous with flowers, that article VI of the constitution so as to read "every fire department in Oregon and Washington territory shall be end

No. 1. After the long and brilliantly attired procession had gone over the entire-route, the resident companies were es-corted to their respective houses and C. W. Fulton, in a few remarks from the balcony of No. 2's, thanked the visitors for their presence in the parade, the band for their efficient aid and desured the delegations that had come to participate in the tournament that they were twice welcome and that in the morrows contest there would be every opportunity to test the skill and efficiency of the volunteer fire departments of the state.

the skill and efficiency of the volunteer fire departments of the state. Large crowds filled the streets, the awnings and roofs, the windows, and the grand stand that had been creeted on Hamilton street. The affair passed on without any accident, and reflects credit on those who examined and continue that on those who organized and participated in git. To-day the fun begins at ! A. M.
