At other stations the times of high and low water will differ from those given by a certain number of minutes, which is approximately constant for the same station. The height is given in feet. The level of average low water is taken as the zero from which the soundings on the Columbia River charts are reckoned.

in Musical Instruments, Sheet Music, Music Books, Strings, and everything pertaining to the music trade. We have called in all our traveling men, discontinued our sub agencies, stopped selling to the trade, and now offer to sell direct to the consumer at a less price than we have been selling to the trade. We propose to sell for cash with order, thereby avoiding bad debts.

Every Piano and Organ sold by us is fully warranted for five years, and will be kept in repair free of charge.

Any Piano or Organ ordered of us, after three days' trial, can be returned at our expense, if not as recommended and satisfactory, and money refunded. You can buy a Piano or Organ of us on the installment plan at the same price as the cash purchaser. By paying us any amount at any time, we place the same to your credit and send you a certificate of deposit. When you have deposited the full cash price of the instrument you wish, it will be subject to your order.

Should sickness or other misfortune overtake you before the amount of the instrument is deposited, and should you so desire, your money will be refunded in full. We buy Pianos and Organs at the factory for cash and ship in carloads. Other Musical Goods we buy in Europe, and get them as low as the lowest.

Now, as we offer to sell direct to the consumer, you will get your goods at a heavy reduction by ordering from us.

The cry of Shoddy will be set up by interested parties, but it will not go, for these are the same Pianos and Organs we have been selling for the past ten years; and it is a well known fact that there are no better instruments made in the world.

We append our Price List, in which are shown our old credit prices and our present tremendous reductions. We give prices of leading styles only, but the same reductions run through all styles.

A Rubber Cover and Stool goes with each Piano; a Stool and Music Book with each Organ. No charge for packing and shipping.

Other musical goods reduced in the same proportion as Pianos and Organs. Sheet Music at one-half the list price.

Those who use stringed instruments will save one-half by purchasing strings of us by the bundle.

All we ask is a trial and you will be convinced that we mean just what we say.

BECHUANALAND.

The last act of Earl Derby, Mr. Gladstone's colonial minister, was to approve of the annexation by Sir Chas. Warren, governor of cape colony, of the great territory in South Africa with which all readers of Livingstone are familiar, and which is known by the name of Bechuanaland. This tract of country extends from the thirtieth to the twentieth parallel of south latitude, and is roughly as large as Spain. We have no doubt that the London *Times* is right in saying that it contains the best pasture land in Africa, and that it will grow everything from wheat to oranges. We can also understand the suggestive hint that it will cut up well into farms for settlers; which means that the natives are to be turned out and their lands occupied by Englishmen. In view of the lessons of contemporaneous history, does not the proceeding look farcical?

Of course, the annexation will proceed smoothly. The natives will submit. If the Transvaal republic objects she will be bombarded into acquiescence. Presently, by contact with Europeans, the Bechuanas will acquire some smattering of civilization, and especially some acquaintance with the use of firearms and the rules of war. Then they will object to British domination. The English will call them rebels and niggers and will blow their chiefs from the mouths of cannon. But in those African countries the human race reproduces itself fast, and the more rebels the British kill, the more there will be left to fight. The end will be the expulsion of the British with horrible slaughter and cruel humiliation. Is all this not as plain to the people of England as it seems to us here?

Let us turn the lesson to good account. Let nothing tempt us to acquire Nicaragua or any other part of Central America. Let us leave filibustering to the English and the French and the Germans. If they see their gain in it, well and good; it is their business, not ours. For our part, we shall best fulfill our national destiny by respecting the territorial rights of our weak neighbors, and by being able to boast that the United States flag does not float over a foot of territory that was acquired at the cost of human blood. Our European friends are welcome to all the glory which may result from territorial expansion secured at the cannon's mouth; let ours be the glory that no human race—however weak or degraded—can justly pray to God for the punishment of the American people.

A Syracus cow was run over by a railway train and one of her hind legs cut off. Her owner, a skillful surgeon, heald the wounded stump and put on o wooden leg, upon which the cow now stumps around very comfortable. If this be true, and it proably is, the only trauble will be that when that cow is butchered to make a Roman holiday, one of the quarters won't have any haudel.

Now the scientists tell us that the concentrice rings in a tree are no guide whatever to the tree's age; that a section of the trunk may show thirty rings when the tree is only eight years old. There you go again. By and by, when you go to buy a cow, and stand appalled at seeing forty-six rings on each horn, the man will pull a copy of "Oregon of Spicies" on you and swear by all

Unhappy Man.

Why persist in ruining your digestion by eating unwholesome food; and keeping it ruined by doing nothing to restore it to usefulness and right action? Some think that dyspepsia is incurable. They are the ones who have never taken Brown's Iron Bitters. This valuable family medicine makes short work of the tormentor and soon enables the digestive apparatus to do its work. Mr. H. E. Collins, of Keokuk Iowa, says, "I used Brown's Iron Bitters for dyspepsia, and am greatly benefited."

When the King James version was issued not more than 60,000,000 people spoke the English language, but it is now the mother tongue of at least 100,000,000, and 20,000,000 revised Bibles will be needed to supply one to each family.

Scott's Emulsion of Pure Cod Liver Oil, with Hyp ophosphite

Its Value for Women and Children.—Dr. R. HAAS, Jersey City, N. J., says: "I have given your Emulsion to my little boy, of three years. He was in poor health, but he has now taken two bottle and is improving both in strength and health. I have also recommended it to several of my female patients and they have derived much benefit from it."

In the small towns and cities of Kansas and Missouri the average price of unskilled labor is $1.20 per day, mechanics $2, with no demand for either.

A Life Saving Present.

Allison, Hutchinson, Kan.: Saved his life by a simple Trial Bottle of Dr. King's New Discovery, for Consumption, which caused him to procure a large bottle, that completely cured him, when Doctors, change of climate and everything else had failed. CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening alterative, or blood-cleansing, antibilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for consumption of the lungs, but for all

CHRONIC DISEASES OF THE

Liver, Blood, and Lungs.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in the mouth, internal heat or chills, alternating with hot flashes, low spirits and gloomy forebodings, irregular appetite, and coated tongue, you are suffering from Indigestion, Dyspepsia, and Torpid Liver, or "Biliousness." In many cases only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Severe Coughs, Consumption and kindred affections, it is a sovereign remedy.
