

The Daily Astorian. ASTORIA, OREGON: SUNDAY, JUNE 21, 1885. THE MYSTIC POWER.

There is a subtle, mysterious influence about some persons that is truly remarkable. One of the singular features about it is that those possessing it have little or no control over it, and those affected by it have no power to resist it.

It was said of Dr. Sunderland, the elder, he was so wonderfully endowed with this power, that he quit preaching on account of it.

The question that arises just here is whether it is good to possess such power or to be influenced by it.

It is not love, but it is often mistaken for it. This is a serious mistake, and one that is very difficult to correct.

THE ATLANTA, GEORGIA, EVENING JOURNAL publishes an interview with ex-Senator Bob Toombs on the future of the negro.

As it was then, and will be for all time, "The negro race is an inferior race. He was so created, and if God had not intended to make him inferior to the white man he would never have created him black.
