LONDON, June 24.—The members of the Gladstone ministry went to Windsor Castle to-day and delivered up their seals of office. Soon after the members of the Gladstone ministry had retired from Windsor Castle, after delivering the seals of office, the members of the new ministry formed by the marquis of Salisbury arrived, and went through the ceremony of accepting office from the queen, and receiving the seals, making the act of obedience by kissing the hand of her majesty. Great crowds of people had assembled at the railroad depot on the arrival of the train bearing the new ministry. Salisbury and Northcote were loudly cheered, the latter to an official degree. Lord Randolph Churchill, on the contrary, was received with mingled cheers and groans.

WASHINGTON, June 24.—The outbreak of Cheyenne Indians, which was threatened Saturday last, has been brewing for a year or longer. Army officials here attribute it to dissatisfaction on the part of the Indians at leasing their reservation to cattlemen. The Cheyenne reservation is one of the largest in Indian territory. It comprises about 4,279,000 acres. Of this amount more than 3,000,000 acres are controlled by cattlemen, who are grazing vast herds. The Indians are divided on the question of leasing the land, a majority apparently being opposed to it. It is said here by officials that the cattlemen have resorted to questionable methods in securing control of the ranches.
