IMPORTANT TO PURCHASERS OF PRE-EMPTION TITLES.

In the United States circuit court. Judge Deady recently decided in the case of Smith vs. Ewing, that the land department has no right to cancel or set aside a certificate of purchase is-sued to a pre-emptor for his land for any alleged fraud in obtaining it. Once obtained any one seeking to cancel it must seek redress in the courts, and that a purchaser of said lands who is an innocent buyer for a valuable consideration takes the same purged of any fraud which may have been committed in obtaining said certificate." Most of the attempted cancellations of the certificates of pre-emptors having proved up and paid for their lands, on the ground that the claims were founded and maintained in fraud, were the result of in vestigation by the "special agents" which the land department has sent out lately to the several land districts to investigate, etc. This decision takes away any effect of their examinations and renders the government powerless to set aside the proceedings already had. The matter, if contested, must be so done in a regular judicial manner, on the same terms and conditions as if between individuals by a regular suit in court. Meanwhile all innocent pur-chasers are protected and their titles cannot be impeached, it being too late. The opinion is a lengthy one and numerous United State Supreme Court decisions are cited in support of Judge Deady's views.

It is said that there is one office in the gift of the government that no-body wants. It is the consulship at Monterey. Monterey is a good-sized city, and is a rather pleasant place to live in. But the people there have never gotten over General Taylor's capture of the town, forty years ago ly as ever. About two years ago they got mad, smashed in the windows of the American consulate, and assaulted the vice-consulate and ed the vice-consul, a Methodist preacher. To an abie-bodied citizen, who likes excitement and plenty of it Monterey offers an inviting field.

... which have disappeared from the earth is the sea cow. This great animal, which has been variously classed with the whales, with the walruses and seals, and with elephants, was a toothless vegetable feeder, living along the shore in shallow water, and often weighing three or four tons. It was seen alive and described in 1741, but in 1780 it appeared to have become entirely ex

If it should appear that he allowed the coon to whip the rooster, assuming the coon fighting to have been against male gallinaceous birds, he will be dismissed as an offensive part

DISFIGURING HUMORS, ITCHING TORTURES, AND LOATHSOME SORES,

I have tried for cleven years to have my wife cured of a terrible skin disease. The CUTICURA REMEDIES (CUTICURA RESOLVENT, the new Blood Purifier, internally, and CUTICURA, the great Skin Cure, and CUTICURA SOAP, an exquisite Skin Beautifier, externally) have done in sixtweeks what I have tried for cleven years to have done. You shall have the particulars as soon as I can give them to you, and as we are so well known in this part of the country, it will benefit you, and the remedies will cure all who are them.

MARYSVILLE, KY.

BLOTCHES CURED. BLOTCHES CURED.

I used your CUTICURA REMEDIES for Blotches, and am completely cured, to my inexpressible Joy. CUTICURA SOAP is the best I have ever used, and to the profession it is invaluable for cleansing the skin, thereby removing all "cork," grease, point, and all the stuff used by them, leaving the skin pure and white and soft. My greatest pleasure is in recommending such mearticle.

Champson Comague Roller Shater, Youngstown, Ohio.

BEST FOR ANYTHING. Having used your Curreura Remedies for eighteen months for Tetter, and finally cared it. I am anxious toget it to self or commission. I can recommend it beyond any remedies I have ever used for Tetter, Barns, Cuts, etc. In fact, it is the best medicine I have ever tried for anything.

MYRTLE MISS.

R. S. HORTON,

this God-given remedy, if taken before the last stages of the disease are reached. From its won-derful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Da. Pranca thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening alterative, or blood-cleansing, anti-bilious, pectorial, and mutritive properties, it unequaled, not only as a remedy for consumption of the lungs, but for all CHRONIC DISEASES

Liver, Blood, Lungs.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent beadache or dizziness, had taste in the mouth, internal heat or chills, alternating with hot flashes, low spirits and gloomy forebodings, irregular appetite, and coated tongue, you are suffering from Indigention, Dyspepsia, and Torpic Liver, or "Billousness." In many cases only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has so equal.

For weak Lungs, Spitting of Blood, Shortness of Breath, Bronchittis, Severe Coughs, Consumption, and kindred affections, it is a sovereign remedy.
