Sheriff Ross goes to Portland this morning to bring down one Verforth on morning to bring down one Verforth on a charge of larceny. Some time ago this Verforth it is alleged, was given some property to guard by a fisherman, the two being at the time in Carnahan's store. When the box that had contained the watch was returned, the timopiece was gone. Sheriff Hoss has been hunt-ing for Verforth some time and has finally secured him.

commanded this military department in the days of '49. Armstrong was a licen-tenant in the Second Regiment of the United States Dragoons previous to the civil war, which position he resigned to join the forces of the southern confed-eracy, and in which he obtained the rank of generative second. Find an analysis of the rank of major general. After the war he became quite an extensive mult contractor in Texnas, being interested in several stage lines. He was one of those known as star route contractors. In his arm of the lade of frontier experience. He takes the place of ex-Gov. Newell of Washington territory, for merly a member of Congress from New Jersey, who, after the expiration of his term of services as territorial governor, about a year ago, was appointed inspector will, therefore, probably be assigned to duty in connection with the Indian reservations of the Pacific coast.
