Work has begun on the new baildings for the Indian training school at Chema-wa. The Statesman says the contractors aim as far as possible, to get their ma-terials from Salem and hopes that Sal-em's business men will aid them to do this

this. After many years of faithful service in peace and war Ordnance Sergeant E. H. Brodie, U. S. army, has been placed on the retired list of his grade in accordance with the act of congress approved Febru-ary 14, 1885. He intends to make his future home in this city and "hold the fort" no more. He has a splendid record through thirty wars of service. through thirty years of service.

John Robinson has a troupe of twelve colored men and women, who were for-merly slaves, traveling with his show, apmeny shaves, travening with his show, ap-pearing in the street parade, where they represent a scene from life, "Way down in Dirie." The party presents a group of colored people, with joyons faces, sing-ing and shouting their componenting hymns, and jubilee songs. It is a very in-teresting picture of southern plantation life and will be a feature in Monday's pro

procession. Returning seashore passengers to their homes in Portland and East Portland complain a good deal about matters sea-ward. Policy suggests that matters be made as comfortable as possible for so-journers. It is a considerable item, the yearly visit of several thousand people, and as Astoria refuses to avail herself of the opportunity to tarn the travel this way, the next best thing is for those who live at liwaco, North Beach, Seaside, Clatsop and elsewhere to make it as at-tractive as circumstances will permit.

Ciatsop and elsewhere to make it as attractive as circumstances will permit. Yaquina is going to put in a big bid for summer travel next season.
Some of the state papers are trying to defend the action of the managers of the state fair in having their printing dome in Cincinnati. One newspaper as a sort of clincher says the managers "saved"
\$80 by having the work done there. Oh, very well then. If "saving" is the order of the day there are a good many news paper men in the state who will "save" the dollars they would pay compesitors in advertising and favorably noticing the fair. If a man wants to get the saving The store is sending to Cincinnati for their soveral for surveyors was to see if any part of the lost spenses would entirely cease. The store fair managers made a big mist take in sending to Cincinnati for their soveral for surveyors was to see if any part of the lost spenses of the resurveyors was to see if any part of the lost vessel or her cargo could be recovered for surveyors was to see if any part of the lost vessel or her cargo could be recovered for surveyors. The dilution of the tags that wisited the spectrum managers made a big mist take in sending to Cincinnati for their work and for every dollar they "saved" they lost \$100. **Girl Wanted.** A competent girl can hear of a good situation by applying to B. B. Franklin, next door to A STORIAN office.
