A Boston paper has been canvassing the mugwumps and declares that there isn't one living in the United States who thinks he made a mistake last fall in voting the democratic ticket. This isn't unexpected. When a mugwump finds out that he has made a mistake he immediately stabs himself to death with his lead pencil. No casualties of the kind have been reported. It requires a certain activity of intellect to detect yourself in a mistake.

The correspondent of a western paper claims that in a thousand New York working girls there are to be observed as many beautiful faces of the Lady Clara Vere de Vere type as in the same number of young ladies attending fashionable Fifth avenue churches.

New York city gives $20,000 every year to the blind who do not beg and are not inmates of homes or asylums. The amount paid to each applicant this year was $38. Among the pensioners is one family of four—two sisters, a brother and his wife.

When your collars and cuffs come from the laundry as hard and stiff as a board don't break your studs and cuff buttons in trying to put them on, but just dip your finger in water and touch it to the buttonholes, and see how easy they go on.

TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three **"scavengers of the system,"** producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work and are a perfect
