Large Land Purchase.

Galveston, Sept. 15.—Specials to the News from Eagle Pass say: An English syndicate, headed by R. R. Symon, vice-president of the Mexican Central railway, and W. Broderick Cloete, an English nobleman, yester-day purchased the Sanches grant of land in Mexico, empracing over 1,400,-000 acres. The grant lies in the vicinity of Monclova, in the state of Coahuila. It is not known what price was paid but a check for \$100,000 was given yesterday to Sanchez Novarro. owner, as first payment. English now control over 2,590,000 acres of land in Coahuila alone. The same syndicate is negotiating for the pur-chase of the Mexican International

chase of the Mexican International railway.

There is something very mysterious in the fact that Union county is about \$50,000 to \$60,000 in debt, yet the annual tax levy is from 25 to 30 mills. There has been no expensive internal improvements, no long and expensive criminal trials, and nothing expensive criminal trials, and nothing to create this load, other than the ordinary county business. The county court has appointed a committee to investigate and report the condition of the county, and \$10 a day is to be paid two men to look into the matter until such time as they desire to stop.

The news from Granite Creek mines states that miners are making \$50 a day to the hand. Two young fellows who had never been in any mines before took out \$2,000 in seventeen days. The gold is coarse. These mines are situated in the Semilkameen country, near the American boundary, and not far from the east-ern line of Whatcom county.

Better than She Expected.

"Your letter received. In reply I am happy to say that Parker's Hair Balsam did much more for me than you said it would, or than I expected. My hair has not only stopped falling out, but the bald spots are all covered, and all my hair grown thicker, softer and more lively than it was before my sickness a year ago. Thank you again and again." Extract from letters of Mr. R. W. T., West Fifty-third street, New York.
