A Rush For Land.

YATES CENTER, Ks., Sept. 17 .- The decision of Judge Brewer, of the United States circuit court, in the case of the United States vs. the Southern Kansas railway company, declaring 27,000 acres of land, hereto-fore held by that company, to be wrongfully held and now part of the wrongfully held and now part of the public domain, has created the wildest excitement ever known in this part of the state. As soon as the decision was made known in southern Kansas, men in wagons, buggies, and on horseback, came in great numbers from Wilson and other counties to this county (Woodson) and also Greenwood county, and commenced staking wood county, and commenced staking off claims, saying that Judge Brewer's decision declared all lands heretofore held by the Missouri, Kansas & Tex-as railway to be government land. They are building shanties on many quarters, and breaking sod, so as to perfect their claims. They have even stuck their stakes and are breaking ground on lands which were entered by college script, and patents for which were on record before either the Sante Fe or Missouri, Kansas & Texas railways were organized.

ROCKFORD, Ills., Sept. 17.—Miss Nellie Dean, daughter of a wealthy lumber merchant in Chicago, has created a sensation here by going to work as a factory girl in a spinning mill for a salary of sixty cents per day. It is understood that she had been chaffing her father now and again by threatening to earn her own living. In a bantering way he told her he would give her a dollar for every cent she earned. She saw in this her opportunity and sought and found work in the mills. If her father comes down according to his agree-ment her salary of sixty cents will grow to sixty dollars a day, a figure which makes her the envy of all her present associates. She has lots of
