Michigan in every part from the Rockies to the Missouri or Mississippi rivers, and certainly in all the

territories. There shouldn't be an idle mill in the entire Pacific northwest, nor should there be an idle logging camp. Lumber is the great and leading interest of Oregon and Washington, and there is no industry more stagnant. The lumbermen must reach out for more extended markets, and compete with countries less favored. Rates may be high, but persistent efforts will lower them.— News, 1.
