ASTORIA, OREGON:

THURSDAY, OCTOBER 8, 1885

SELF-SUFFICIENT.

JOHN RUSSELL YOUNG, lately United States minister to China, says the Chinese government is not disturbed by America's anti Chinese immigration action.

THE secretary of the treasury has referred to the attorney-general, for an opinion, an interesting question in regard to the enforcement of the Chinese restriction act.

THE Virginia politicians are a tough lot. One of them—Judge Ward, editor of a paper at Abingdon—was set upon the other day by a Dr. White, who loaded him with the contents of both barrels of a gun.

A NEW YORK paper seriously doubts if a pretty woman can be convicted of murder in the courts of that city, no matter how strong the evidence against her.

THE London Times of the 6th commenting on Parnell's speech at Wicklow, says: The cabinet must consider the situation in Ireland. It is impossible to disguise the fact that the government of Ireland has passed or is rapidly passing out of the hands of her majesty's ministry.

HARPER'S Weekly, the N. Y. Times, Beecher and all the rest of the truly good, are trailing back into the Republican camp, volubly explaining why their dislike of Blaine made them beat him last November.

THE municipal government of Madras, India, has extended the right of suffrage to women. With the ballot secured in Washington, Wyoming and Madras, the advocates of woman suffrage are pretty well satisfied for the present.

BOTH the candidates for governor in New York—the present Governor Hill and Ira Davenport—are bachelors. In Mr. Davenport's case it is explained as a case of loving and losing early, his fiancée dying a short time before their intended marriage.

THE report published the 3d inst. that Germany and Spain had effected a settlement of the Carolines difficulty was confirmed on the 6th. Prince Bismark has written a friendly letter to the Pope, thanking him in the name of Germany for the interest his holiness has taken in the question.

SENATOR VANCE, of North Carolina has been retained by Salt Lake Mormons as a defending attorney. Next winter Senator Vance will vote in congress on matters closely affecting his clients, and just how he can vote fairly is the question.

STEINBERGER, the South Pacific adventurer, is pressing a claim for \$750,000 against England. He was ejected from the Samoan islands by England, and wants the United States to take up his case.

THE S. F. Call, wrong as usual, says the Manzanita is coming up "with a buoy for the Columbia bar."
