Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the present, flatalency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts effected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. What Parents Fear.

Many persons—especially parents
object to quack nostrums as likely to engender or encourage a love for strong drink. They are right. Bet-ter to die of disease than of drunkenness. The use of Parker's Tonic does not involve this danger. It not only builds up the system, curing all ailments of the stomach, liver and kidneys, but it stimulates without intoxicating and absolutely cures the appetite for liquor.
