is a secret aid to beauty. Many a lady owes her freshness to it, who would rather not tell, and you can't tell.

Bad on the Dear Girls.

"That ring," said the jeweler, as the porter picked up a seven-stone cluster diamond, "will cost you \$12. If you return it within 6 months you

will receive a rebate of \$5."
"What! Only \$12 for a cluster diamond ring?" exclaimed the astonished scribe. "I said \$12," was the calm reply.
"Here," lifting out another tray, "is
the mate to it—price \$180."
"Enlighten me?" pleaded the re-

porter. "I will; although it is odd that you haven't caught on to this little game. The American is a hustler in all things. If he falls in love he goes with the same rush that would char-acterize a business transaction. He wants to be engaged and have the day set, but in perhaps three cases out of ten his ardor cools before the fatal day arrives, and he 'throws' the match. He was mistaken in the girl, or in the strength of his own feelings, and he breaks the match."

"I see."

"I see."

"He has given the girl an engagement ring. He can scarcely muster up the cheek to ask for its return, and the chances are that he wouldn't get it if he did. This cluster diamond ring at \$12 fills a longfelt want. The gold plaiting will wear for six months, and the paste diamonds will sparkle and glisten for diamonds will sparkle and glisten for about the same length of time. If, at the end of six months, he discovers that his feelings have changed he breaks off the match and is little or nothing out of pocket. If time has only welded his love the firmer, so to speak, he gets the spurious ring from her to have their initials en-graved on the inside, and comes here and exchanges it for the Simon pure See? It is a little trick of our own but the jewelers of Boston, Philadel-phia, and other cities are catching on and stealing our customers."-

Mrs. Julia Ward Howe suggests the formation of a women's in-dustrial council, in which women from every State and Territory shall meet to discuss industrial subjects and promote industrial exhibitions. Women's industries have become an important question since the opening of women's departments in industrial

Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs of the kidneys or neighboring organs At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts of fected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address The Dr. Bosanko Medicine Co., Piqua, O. Sold by J. W. Conn.

The flowering plants and ferns of Ceylon, according to Dr. Trimen, embrace 1,071 genera, or 3,249 regular species. There are also 408 varieties, of which some may prove to be distinct species.

Don't Give Up.

It doesn't follow that a patient will lie because the doctors have "given him up," or that he will recover be cause they promise to "pull him through." It is never too late to try the great virtues of Parker's. Mr. Michael Guilfoyle, of Binghamton, N. Y., was cured of Rheumatism by it after ten years of unspeakable suffering. Mr. R. W. Mosher, druggist, of same city, certifies that he has sold over a thousand bottles of Parker's Tonic through its reputation for this and other cures.

A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c, I will send a recipe that will cure you. FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the KEV. JOSEPH T. INMAN, Station D, New York City.
