ECZEMA

And Every Species of Itching and Burning Diseases Cured by Cuticura.

ECZEMA, or Salt Rheum, with its agonizing itching and burning, instantly relieved by a warm bath with CUTICURA SOAP, and a single application of CUTICURA, the great Skin Cure. This repeated daily, with two or three doses of CUTICURA RESOLVENT, the New Blood Purifier, to keep the blood cool, the perspiration pure and unirritating, the bowels open, the liver and kidneys active, will speedily cure Eczema, Tetter, Ringworm, Psoriasis, Lichen, Pruritus, Scald Head, Dandruff, and every species of Itching, Scaly and Pimply Humors of the Scalp and Skin, when the best physicians and all known remedies fail.

Will McDonald, 252 Dearbon St., Chicago, gratefully acknowledges a cure of Eczema, or Salt Rheum, on head, neck, face, arms and legs for seventeen years; not able to walk except on hands and knees for one year; not able to help himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless; permanently cured by CUTICURA RESOLVENT (blood purifier) internally, and CUTICURA and CUTICURA SOAP (the great skin cures) externally.

Chas. Houghton, Esq., lawyer, 28 State St., Boston, reports a case of Eczema under his observation for ten years which covered the patient's body and limbs, and to which all known methods of treatment had been applied without benefit, which was completely cured solely by the CUTICURA REMEDIES, leaving a clean and healthy skin.

Mr. John Thiel, Wilkesbarre, Pa., writes: "I have suffered from Salt Rheum for over eight years, at times so bad that I could not attend to my business for weeks at a time. Three boxes of CUTICURA and four bottles of RESOLVENT have entirely cured me of this dreadful disease."

Mrs. Isaac Phelps, Ravenna, O., writes: "For the last year I have had a species of itching, scaly and pimply humors on my face to which I have applied a great many methods of treatment without success, and which was speedily and entirely cured by CUTICURA."

Physicians Prescribe Them.—I have nothing but the highest praise for the results obtained from your CUTICURA REMEDIES, of which I have sold more than all others of the kind. MONRO BOND, M. D.,

What Became of the Little Fiddler.

One of the justices of the Maine Supreme Court occasionally amuses himself, when he is alone, by taking down an old fiddle and playing on it. The Judge used to be an expert performer of jigs on the fiddle, but since his boyhood has not devoted much time to the violin. He was born and raised in poverty, and the story of his life is almost a romance. His father was the fiddler of the village, a nomadic and jovial soul. Said an old neighbor the other day: "When I went to muster, sixty years ago, I used to see the Judge and his father playing the fiddle for dances at sixpence per tune. This was the regular price in those days. None of the dancers ever supposed that their little fiddler would become a Judge of the Supreme Court."—[Lewistown (Me.) Journal.

ANCIENT ASTRONOMY.—About 640 B. C. Thales of Miletus taught the globular form of the earth, the five zones, some of the principal circles of the sphere, the opacity of the moon, and the true causes of lunar eclipses, and predicted an eclipse. About 506 B. C., Pythagoras demonstrated, from the varying altitudes of the stars by change of place, that the earth must be round; that there might be antipodes on the opposite part of the globe; that Venus was the morning and evening star; that the universe consisted of twelve spheres—the sphere of the earth, of the water, of the air, of fire, of the moon, of the sun, of Venus, of Mercury, of Mars, of Jupiter, of Saturn, and of the stars. In 280 B. C., Aristarchus, of Samos, maintained that the earth turned on its own axis and revolved about the sun, which doctrine was regarded by his contemporaries as so absurd that he nearly lost his life.

An elderly lady and her son, aged nine years, sought admission to a "show" somewhere out West. "I want," said the old lady, "a whole ticket for myself and a half ticket for the boy." "Want a half ticket for the boy, eh?" said the manager; "Well, I reckon you'll take a whole ticket." "But he's only nine years old." "Don't matter; he may have a whole ticket." "But he's only got one eye." "That's just it; take him twice as long to see the show."

A little boy was told at Sunday-school that when he died he would leave his body here. After his return home, he was much troubled in regard to it, and questioned his parents. His mother explained by saying, "You will take all the good with you, but leave all that's naughty here, below." He thought a moment, and looking up said: "Well, I guess I'll be awful thin when I get there."

Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts effected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address The Dr. Bosanko Medicine Co., Piqua, O. Sold by J. W. Conn.

Chloride of zinc, so much used in soldering iron, has, besides its corrosive qualities, the drawback of being unwholesome when used for soldering the iron tins employed to can fruit, vegetables, and other food. A new soldering mixture has been found which is free from these defects. It is made by mixing one pound of lactic acid with one pound of glycerine and eight pounds of water.

Don't Give Up.

It doesn't follow that a patient will die because the doctors have "given him up," or that he will recover because they promise to "pull him through." It is never too late to try the great virtues of Parker's. Mr. Michael Guilfoyle, of Binghamton, N. Y., was cured of Rheumatism by it after ten years of unspeakable suffering. Mr. R. W. Mosher, druggist, of same city, certifies that he has sold over a thousand bottles of Parker's Tonic through its reputation for this and other cures.

The three daughters of Mr. Banker Drexel, of Philadelphia, are set down for $6,000,000 each.
