ECZEMA

And Every Species of Itching and Burning Diseases Cured by Cuticura.

ECZEMA, or Salt Rheum, with its agonizing itching and burning, instantly relieved by a warm bath with CUTICURA SOAP, and a single application of CUTICURA, the great skin cure. This repeated daily, with two or three doses of CUTICURA RESOLVENT, the New Blood Purifier, to keep the blood cool, the perspiration pure and unobstructed, the bowels open, the liver and kidneys active, will speedily cure Eczema, Tetter, Ringworm, Psoriasis, Lichen, Pruritus, Scald Head, Itch, and every species of Itching, Sealy and Pimply Humors of the Scalp and Skin, which the best physicians and all known remedies fail.

Will H. Donald, 252 Dearborn St., Chicago, gratefully acknowledges a cure of Eczema, or Salt Rheum, on head, neck, face, arms and legs for seventeen years; not able to walk except on hands and knees for one year; not able to help himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless; permanently cured by CUTICURA RESOLVENT (blood purifier) internally, and CUTICURA and CUTICURA SOAP (the great skin cure) externally, leaving a clean and healthy skin.

Chas. Houghton, Esq., lawyer, 28 State St., Boston, reports a case of Eczema under his observation for ten years which covered the patient's body and limbs, and to which all known methods of treatment had been applied without benefit, which was completely cured solely by the CUTICURA REMEDIES, leaving a clean and healthy skin.

Mr. John Thiel, Wilkesbarre, Pa., writes: "I have suffered from Salt Rheum for over eight years, at times so bad that I could not attend to my business for weeks at a time. Three boxes of CUTICURA and four bottles of RESOLVENT have entirely cured me of this dreadful disease."

Mrs. Isaac Phelps, Batavia, O., writes: "For the last year I have had a species of itching, sealy and pimply humors on my face to which I have applied a great many methods of treatment without success, which were speedily and entirely cured by CUTICURA."

Physicians Prescribe Thiel. I have nothing but the highest praise for the results obtained from your CUTICURA REMEDIES, of which I have sold more than all others of the kind. MRS. DONALD, 252 N. Broad St., Philadelphia, Pa.

Short and Crisp.

A citizen of Philadelphia has a collection of suspenders numbering 940 pairs; but what doth it profit a man if he have 940 pairs of suspenders and no buttons to fasten them to?—[Philadelphia Call.]

"Mamma," said Johnnie, who had been reading the war news, "I am afraid we are short of sauce for supper. Hadn't you better call out the preserves?"—[Burlington Free Press.]

"Captain," said a grocery-keeper, addressing a well-known gentleman, "do you remember that sack of flour you ordered some time ago?" "Oh, yes; I remember it." "I suppose so, but I don't remember that you ever paid for it." "My dear sir, I am not responsible for your bad memory. I have remembered my part of it. Memory is a peculiar faculty, and is susceptible of great cultivation. Some of the Greeks could repeat volumes of poetry. Well, good morning."—[Arkansas Traveler.]

"If I was dead and gone and you had another wife you'd find out how gentle and forgiving and patient I've been—you'd see then how I've endeared and put up with things?" "You've no immediate intention of giving me this opportunity?" "No, sir; I hope I'm a Christian as well as a martyr, and I've too much sympathy for the other woman."—[Harper's Bazaar.]

"When I want my children to mind," said Poyning, "I don't stop to explain the reasons to 'em. I just put my foot down and that's the end of it." "Oh, well, responded Biobson, absent-mindedly, "that covers the ground, of course; there is no need of explanation."—[Burlington Free Press.]

The fact that the new Minister to England is called "professor" does not necessarily indicate that he is proprietor of a skating rink.—[St. Paul Globe.]

"I understand the old man doesn't want you to come to see his daughter," said one young fellow to another. "That's the state of the case, but I went all the same." "No?" "Yes. Was there last night." "Did he kick?" "Some." "Much?" "Well, no, not a great deal," was the hesitating reply; "that is, not as much as he might have done. He only kicked me from the parlor to the front door, and I went the balance of the way by myself."—[Merchant Traveler.]

An English traveler, in looking over some American town names, came across the well-known ones of Pawtucket, Shetucket and Nantucket. "Haw! haw!" he exclaimed, "I'm blessed if the whole family didn't take it!"—[Pittsburg Chronicle.]

A Foregone Conclusion.
Joseph Yeamans, who was formerly a Dallas alderman, but who has since reformed, was tried in San Antonio last week for horse stealing, but was acquitted. After the verdict was rendered the lawyer asked him: "Now that the trial is over and you are acquitted, tell me honestly, did you really steal the horse?" "Of course I did. If I was an honest man and a good citizen do you suppose I'd have anything to do with a blank rascal like you?" was the indignant response.—[Texas Sittings.]

Men's heads are something like omnibuses. The empty ones make the most noise.
Cure For Piles.
Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, bleeding and itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 20 cents. Address The Dr. Bosanko Medicine Co., Piqua, O. Sold by J. W. Conn.
