For all Diseases of the Liver, Kidneys, Stomach and Spleen.

Liver, Kidneys, Stomach and Spleen.

This purely vegetable preparation, now so celebrated as a Family Medicine, originated in the South in 1828. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and is, therefore, the best preparatory medicine, whatever the sickness may prove to be. In all common diseases it will, unassisted by any other medicine, effect a speedy cure.

The Regulator is safe to administer in any condition of the system, and under no circumstances can it do harm. It will invigorate like a giass of wine, but is no intoxicating beverage to lead to intemperance; will promote disgestion, dissipate headache, and generally tone up the system. The dese is small, not unpleasant, and its virtues undoubted.

No loss of time, no inter-

No loss of time, no inter-ruption or stoppage of business while taking the Regulator. Children complaining of Colle, Headache, or Sick Stomach, a teaspoonful or more will give relief.

If taken occasionally by pa-tients exposed to MALARIA, will expel the poison and protect them from attack. A PHYSICIAN'S OPINION.

I have been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weak-ening) the digestive and assimilative powers of the system.
