From the State Capital.

SALEM. Or., Jan. 12.-To-day has been occupied almost entirely by the governors. The attendance at the delivery of the messages was very large and unusual interest was manifested. Comment on Gov. Pennoyer's message assumes a wide latitude. Some prominent Democrats consider it radical. Special criticism on his reference to the state supreme court and the federal court decisions, are heard on every hand both pro and con by the legal fraternity. But a recapitulation of sentiment may be summed up as decidedly favorable to the general recommendations of the message for state legislation.

An amusing incident occurred in joint convention. After the vote on the governorship had been counted, Speaker Gregg an-nounced T. R. Cornelius, as having received a majority of the votes cast, and said: "I hereby This powder never varies, A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and can not be sold in competition with the multitude of low test, short weight, alum or phosphate pewders. Sold only in cans. ROYAL BAKING POWDER CO, 106 Wall-st., N. Y. declare," when the Democrats shouted, "No; stop there!" The Republicans joined heartily in the laughter and stamping of feet. The speaker corrected it by announcing, "Pennoyer received a majority," etc., causing relief to North Pacific the Democrats and amusing the Republicans.

Important legislation on the immigration board is expected. A strong effort will be made to discontinue the board, and radical changes will certainly be made.
