OTTO SCHUMANN,

Why They Want Home Rule.

London, Jan. 13 .- Detailed accounts have been received here to-day of some of the most shame ful evictions ever recorded in the history of Ireland, at Glenbeig, county Kerry, on the estate of the Right Honorable Roland Winn. The time chosen for ejectment was in the midst of a pitiless tempest of wind, snow and rain. The unfortunate tenants were driven out in the pelting storm without a board to shelter them and then, to prevent the possibility of their returning, bailiffs proceeded to set fire to their cottages, which were soon-in a blaze and reduced to ruins. Winn is an implacable tory and resolved apparently on extreme measures.

Negro hands have been found valuable in the new cotton mills of the south. They take readily to the light work and endure the hot and close air of the mills better than the white employes.

The negro exodus in Alabams leads the Montgomery Advertiser to urge a system for inducing immigration to that state, and the editor remarks that "it would be better to have Chinese than no labor at all."

The cotton crop in Mexico this year will amount to about 30. 000,000 pounds, and as 10,000,000 pounds a month are required to supply the mills of that country, the deficit will have to be imported from the United States.

#### Cure For Piles.

Files are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspirstomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts effected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure.
