Moral-There is such a thing as being too Smart.

Kaiser William is fond of soup and wants a different kind every day of the week. Soup has played a part in his career. His brother and predecessor as king of Prussia sat down to soup one day and deliberately washed his face and North Pacific hands in it. It was at a state dinner and the guests had to imitate royalty, and all took a wash in the soup. But the king went from JOHN KOPP. - - - Proprietor. that dinner to confinement as a madman, and William became re Patronize Home Industry! gent of the kingdom.

> HEADACHE AND DYSPEPSIA. No. 512 West 57th St., N. Y.,)

June 29, 1885. I have been a martyr to bilious headache and dyspepsia. Any indiscretion in diet, over-fatigue, or cold, brings on a fit of indigestion, to be followed by a headache lasting two or three days at a time. I think I must have tried over twenty differ-ent remedies, which were recommended as certain cures by loving friends, but it was no use. Like the Irishman, I got no better very fast. At last I thought I would take a simple course of purgation with BRAND-RETH'S PILLS. For the first week I took two Pills every night, then one Pill for thirty nights; in that time I gained three pounds in weight, and never have had a the or a pair since. WILLIA ... ROCKWELL.

The Northern Pacific railroad has 700 Chinamen at work on construction on the eastern side, and the roadbed has been completed to the mouth of the tunnel, and the track laid to within two and onehalf miles of the switchback. There are over five feet of snow on the summit at present, consequently work progresses slowly. Two million feet of lumber on the bridgework has to be placed in position on the western side, and Every Attention to the Comfort of Patrons so far not a foot of it has been cut.
