OF GREAT PRACTICAL BENEFIT.

In addition to the correspondence of Senator Dolph, Congressman Her-mann and Lieut. A. W. Greely, acting chief signal officer, published in Tuesday's issue, the following from Senators Mitchell and Dolph is also furnished by Mr. E. C. Holden, secreary of the chamber of commerce: FROM SENATOR MITCHELL.

United States Senate, Washington, D. C., Dec. 26, 1886.

E. C. Holden, Esq., Secretary Cham-ber of Commerce, Astoria, Oregon: MY DEAR SIE:-I beg respectfully o acknowledge receipt of yours Dec. 16. covering memorial to congress praying further appropriations for the Cascades and mouth of the Columbis river. In conjunction with our delegation I will do everything in my power to secure the largest possible appropriations for each of hese great works.

I am very respectfully
Your obedient servant,
JOHN H. MINCHELL.

UNITED STATES SENATE, WASHINGTON, D.C., Dec. 27, 1886. E.C. Holden, Secretary of the Cham-ber of Commerce, Astoria, Oregon My DEAB SIB:-- I am just in receipt of your favor of the 16th inst. inclosing memorial of the chamber to the congress of the U.S. representing the necessity for further and larger appropriations to carry on the gov-

ernment works at the Cascades and at the mouth of the Columbia; and also a communication addressed to myself requesting me to urge upon the head of the signal service bureau the importance of repairing at once the cable from Fort Stevens to Cape Disappointment. I will present the memorial to con-

gress to the senate and have it re ferred to the committee on commerce at the earliest opportunity.

I have referred your letter and the

memorial concerning the cable between Fort Stevens and Cape Disap-pointment to General W. B. Hazen thief signal officer, with an urgent re quest for favorable action, and will embrace the first opportunity to personally present the matter to him. Yours Truly, J. N. Dolph,

The above and previous corre-spondence illustrates a two fold fact; that our senators and congressman are untiring in their zealous efforts for the best interests of navigation, commerce and needful aids to the same in these northwestern waters and that our chamber of commerce loses no opportunity to forward and arge reasonable claim to recognition and support in congress for the requisite aid to the common good: a state of affairs that it is a pleasure to chronicle.

Regarding Proposed Amendments to the City Charter.

The following dispatch was received by THE ASTORIAN at 8:45 last evening: SALEM, Or., Jan. 27.-Amendments to the city charter have been sent to me by the auditor and clerk, I desire them published and to get instructions from the city council, the chamber of commerce and the citizens, and will hold the bill until some concerted action can be had by our citizens. The former bill amending the charter only authorized the auditor and clerk to act as police judge; it does not affect the superintendent of streets.
