CONGRESSIONAL.
WASHINGTON, Jan. 26.—The
fishery bill was referred to the
committee on foreign affairs in the
house this morning, and leave
granted that committee to report
at any time.
The speaker laid before the
house a letter from the secretary of
the treasury, submitting esti-
mates of appropriations to meet
the expenditures required by the
Mexican pension bill; referred.
The secretary estimates that 4-
633,104 will be required for the
first yearly payment of pensions,
and asks for the appropriation of
\$267,000 for an increased clerical
force.
Bragg, of Wisconsin, submitted
a conference report upon the army
appropriation bill, and it was
agreed to.
Payson, of Illinois, from the
committee on public lands, re-
ported back the resolution request-
ing the secretary of the interior to
procure the opinion of the attor-
ney-general whether any further
legislation is necessary to prevent
unlawful fencing of public lands;
adopted.
After a struggle for precedence
between the pleuro pneumonia
bill and the river and harbor ap-
propriation bill, the latter proved
successful, and the house went in-
to committee of the whole on that
measure. The bill will come up
for final action to-morrow.

Cure For Piles.
Piles are frequently preceded by a
sense of weight in the back, loins and
lower part of the abdomen, causing the
patient to suppose he has some affection
of the kidneys or neighboring organs.
At times, symptoms of indigestion are
present, flatulency, uneasiness of the
stomach, etc. A moisture like perspira-
tion, producing a very disagreeable
itching, after getting warm, is a com-
mon attendant. Blood Bleeding and
itching Piles yield at once to the appli-
cation of Dr. Bosanko's Pile remedy,
which acts directly upon the parts af-
fected, absorbing the Tumors, allaying
the intense itching, and effecting a per-
manent cure. Price 50 cents. Address
