The Latest Mormon Sensation.
WASHINGTON, Feb. 1.—Mor-
mons in this city are watching the
progress of the Edmunds anti-
polygamy bill, are quite excited
over dispatches from Nebraska in
today's papers in regard to Brig-
ham Young's reported scheme of
resurrection. Delegate Caine, of
course, denies the story. Caine
says that he saw the Mormon leader
buried and placed in a tomb,
with a one ton stone over the en-
trance, and does not doubt that
Brigham is dead. But another
story comes from a resident of
Utah which adds to the remark-
able story from Nebraska, and
makes one look upon it with some
consideration. The gentleman
says:

"As everyone knows, the death
of Brigham Young was most mys-
terious. The arrangements for
the funeral were conducted with
the greatest privacy, and not un-
til the body was laid out was any-
one allowed to see it. The body
in the coffin, shown only to a few,
was an ingeniously prepared wax
figure. A Frenchman was brought
from France some time before the
reported death of Young, and set
to work to make a life-like head
and body of the Mormon prophet,
as the figure was to represent him
after death. So remarkably well
was the work done that the figure
deceived many who saw it. When
it came time for Young to die the
figure was prepared for burial.
The subsequent mysterious fune-
ral arrangements, together with the
strange death, can all be easily re-
called. The Frenchman who made
the wax figure was shipped back
to his native country, and the Mor-
mons watched him well. Although
this guard was kept up, the man
told his secret, and it was pub-
lished, but the Mormons managed
to keep it from wide circulation.
All have heard it in Utah, but
the Mormons have managed to de-
cry it. The reason of Young's
disappearance from earth was for
resurrection. The Mormons
thought the United States govern-
ment would give them trouble,
and ere this they had made every
arrangement for an exodus to
Mexico. The leaders collected
money, and bought a vast tract
of land, and paid for it in gold.
They intended that old Brigham
Young should rise from the grave
to order the faithful to depart to
Mexico, but when the land bought
came to be prepared it was found
that the Mexicans had cleared
them, and sold them a lot of
mountains. So great was the
chagrin of the elders that the ex-
odus was postponed, and Brigham
did not rise.

Death by aconite is the least
painful of any. The feeling is
something like being frozen to
death. A kind of numbness be-
gins in the extremities and gradu-
ally spreads over the entire system.
There is no pain whatever, except
possibly a slight burning sensation
in the breast. The fatal sensation
is, in fact, extremely pleasant.
Death from freezing is said to be
delightful. It is the same with
aconite. A pleasant tingling is
felt through the limbs, while en-
trancing dream fancies run through
the brain.—Cincinnati Physician.

ST. VITUS' DANCE CURED.
FARMINGDALE, L. I., N. Y.,
Sept. 2, 1885.
I have been troubled for several
years with an affection of the nerves
which no doctor or no medicine
could cure until I tried BRANDRETH'S
PILLS. I would be taken with a vio-
lent pain in the middle of my spine,
and my arms and legs would twitch
violently. It acted something like St.
Vitus' Dance, for I couldn't control
my limbs. It would come and go
once or twice a month, lasting two
or three days at a time. Finally, at
the beginning of one of my attacks, I
took five BRANDRETH'S PILLS. As
soon as they acted freely I found my-
self almost well. So I continued tak-
ing them for a month—once or two a
night. It is now a year since I have
had an attack, and I attribute my
cure to BRANDRETH'S PILLS.

An N. P. E. R. Wreck in Montana.
NEAR STILLWATER, Mont., 3 P.
M., Feb. 1.—The Pacific express,
of the Northern Pacific railroad,
consisting of two trains, which left
St. Paul Friday and Saturday, and
which, after being delayed by the
blizzard for forty eight and twenty-
four hours respectively, were
consolidated at Dickinson, was
wrecked by a broken rail about 78
miles east of Livingston, Montana,
at about 2:30 P. M. to-day. The
baggage, express, one emigrant
and one first-class car were precipi-
tated over the bank of the Yel-
lowstone river and slightly
wrecked. All the passengers,
amongst whom were many women
and children, were miraculously
saved from injury. The baggage
and express was also saved from
fire by the active use of hand-gren-
ades and snow. The engine and
mail car went over safely. The
weather is bitter cold, but the pas-
sengers are provided for in the
dining and sleeping cars, which are
still on the track. There was
about ten feet of rail broken into
many pieces. Among the pas-
sengers on the train was Lieut. Frank
Taylor, Fourteenth infantry, Van-
couver barracks.

There is a rage among the young
women of Montana to run for
school commissioner, and in every
instance it is said that the pretti-
est young woman wins.

It is estimated that total "under-
ground" insurance policies issued
in the state of Maine will amount
to \$1,000,000, for which little re-
turn can be expected.

For Cholera, Diarrhea, Dysentery, In-
flammation of the Bowels or Colic.
Take internally from five to ten drops
of Darby's Prophylactic Fluid in a table-
spoonful of water every hour or two
till improvement takes place. There is
no danger in taking more of it and
frequently if occasion requires. In
chronic cases, or when the stomach re-
fuses to retain anything else, use in-
jections of the Fluid and water. We
have never known a case that did not
readily yield to such treatment, and it
saved the lives of many.

Saved His Life.
Mr. D. I. Wilcoxson, of Horse Cave,
Ky., says he was, for many years, badly
afflicted with Phthisis, also Diabetes;
the pains were almost unendurable and
would sometimes almost throw him
into convulsions. He tried Electric
Bitters and got relief from first bottle
and after taking six bottles, was en-
tirely cured, and had gained in flesh
eighteen pounds. Says he positively
believes he would have died, had it not
been for the relief afforded by Electric
Bitters. Sold at fifty cents a bottle by
W. E. Dement & Co.

KANSAS CITY, Mo. W. R. BERNARD.
Do You Want Good Digestion?
I suffered intensely with Foul Stomach, Head-
ache, etc. A neighbor, who had taken Simmons'
Liver Regulator, told me it was a sure cure for my
trouble. The first dose I took relieved me very
much, and in one week's time I was as strong and
healthy as I ever was. It is the best medicine
I ever took for Dyspepsia.
RICHMOND, Va. H. G. CHENSAW.
Do You Suffer from Constipation?
Testimony of HERMAN WARNER, Chief Justice of
the Court of Appeals for the State of Ohio.
"I have used Simmons' Liver Regulator for
constipation of the bowels, caused by a temporary
derangement of the Liver, for the last three or
four years, and always with decided benefit."
Have You Malaria?
I have had experience with Simmons' Liver Re-
gulator since 1863, and regard it as the greatest
medicine of the times for diseases peculiar
to malarial regions. So good a medi-
cine deserves universal commendation.

Cor. Sec'y Southern Baptist Theological Seminary,
Salem, Va.
Safer and Better than Calomel!
I have been subject to severe spells of Constipation
of the Liver, and have been in the habit of taking
from 15 to 30 grains of calomel, which generally laid
me up for three or four days. Lately I have been
taking Simmons' Liver Regulator, which gave me re-
lief, without any interruption to business.
