clared elected.

GET RID OF THAT BAD TASTE.
When you wake up in the morn-
ing with a bad taste in your mouth,
with your throat and tongue dry and
a yellow coating on your teeth and
gums, don't imagine it was all
caused by what you ate the night
before. Of course everybody does
that and everybody "swears off"
from again eating such food. The
trouble is that your liver is clogged,
your kidneys are overworked and
your bowels are not doing their duty.
Take from three to ten of BRAND-
RETH'S PILLS and note the sudden
and wonderful change in your sys-
tem.

Rev. Bishop Blanchet of this dioc-
ese is rapidly sinking, and the at-
tending physicians think he will
die before morning.

Diphtheria.
"I am living in a neighborhood sur-
rounded with Diphtheria and was at-
tacked with Ulcerated Sore Throat. I
at once commenced to use Darby's Pro-
phyllactic Fluid, diluted about one
half, as a gargle, when great clots of
hard membrane and mucous came
from my throat, and the attack passed
off. I am satisfied of its efficacy as a
preventive and cure for Diphtheria."
W. P. WOODWARD, Frankford, Pa.
The *Thetis* is ready to proceed

sel will be prepared for a scientific
cruise along the coast of Alaska in
the summer.
