Can be had of L. M. Shaffaer of Water St., and Wherry & Co.'s market opposite Occident Hotel. I don't claim they are fresh as some do who have but a few chickers and it takes them a month to get a shimment, but because I have the largest Chicken ranch this side of Portland, run by experienced hands, pick up the eggs every day and bring them to town a times a week. And don't you forget it that every egg bought from the above parties is guaranteed by them to be fresh.

Declared Insane.

CHICAGO, February 17 .- The Times' Topeka (Kan.) special says: Boston Corbett, the slayer of John Wilkes Booth, has created a great sensation here. He was assistant doorkeeper of the house. It was known that he had long been a crank, but yesterday he became decidedly insane and with two revolvers took possession of the speaker's gallery, which he held during the whole forenoon. At twelve o'clock he sent word down to the house that if it did not adjourn he would come down and adjourn it himself. The house adjourned, and Corbett was caught and disarmed in the lower corridor. He was to-day declared insane, and will go to an asylum.

Wabash, Ind., Feb., 17 .- Mary Baker, the White county faster, completed last evening her one hundred and fifth day of total abstinence from food or drink. Several days ago the extremities began growing colder and signs of dissolution were apparent, but she still lives. There is a wide difference of opinion among physicians as to the cause of the malady, and the post mortem is looked forward to with great interest.
