#### FRESH CLATSOP EGGS

Can be had of L. M. Shaffeer 61 Water St., and Wherry & Co.'s market opposite Occident Hotel. I don't claim they are fresh as some do who have but a few chickens and it takes them a month to get a shioment, but because I have the largest Chicken ranch this side of Portland, run by experienced hands, pick up the eggs every day and bring them to town 3 times a week. And don't you forget it that every egg bought refrom the above purties is guaranteed by them to be fresh. S. K. STANLEY.

In the United States Senate.

WASHINGTON, Feb. 25 .- Among the bills reported and placed on the calendar of the senate to-day was the house bill to annex a pertion of the territory of Idaho to Washington territory.

At 1 o'clock Edmunds' resolution electing Ingalls president pro tem. of the senate, to take effect at 1 o'clock to-morrow, was called up and adopted by a strict party vote, the Democrats voting for senator Harris. Hoar's resolution, providing that no investigation should be under-

taken with England, having for its object the change or abolition of existing duties under present circumstances, pending retaliation, was taken up and discussed at length, and finally referred to the finance committee. Van Wyck then called up his resolution providing for the elec-tion of senators directly by the

people. In supporting his resolution Van Wyck said the senate was originally wanted to keep down turbulence of democracy, and it had succeeded in keeping down the turbulence of the people in their demands for redress of grievances. Experience was showing that legislature was controlled in senatoria elections by blandishments and lucre. The necessity for a change is strikingly manifested by the actions of the legislatures of New York, West Virginia, Indiana and Nebraska during the last month. Corporations now ruled the roost. He predicted that a serious crisis was approaching the people; the toilers will be arrayed against their oppressors. Capital now, in defiance of the constitution and the laws, can demand payment of debts in gold only. An upheaval of labor can be repressed by indictment and fine and imprisonment for conspiracy. Threefourths of the farms of the country are mortgaged, and producers, owing to inimical monopoly and combination, reap but little benefit from their labor. Additions of wealth are largely to those who count their possessions by thousands and millions, and labor must return thanks for the privilege of

barely living. A First Class Place of Social Resort, Run in a First Class Manner.

Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatilency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile remedy, which acts directly upon the parts of feeted, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure.
