**CONGRESSIONAL.**  
**SENATE.**  
WASHINGTON, March 1.—The  
presiding officer presented a mes-  
sage from the president vetoing the  
senate bill for the erection of a  
public building at Lafayette, In-  
diana.

Hoar, from the committee on  
privileges and elections, reported  
back the credentials of senators  
Stockbridge, of Michigan, and  
Turpie, of Indiana, together with  
the protest of the house of the In-  
diana legislature in the latter case.  
It was moved that the report be  
placed on file and the committee  
be discharged from further consid-  
eration. So ordered.  
The naval appropriation bill was  
read the second time and referred  
to the committee on appropriations.  
Morgan offered a resolution in-  
structing the commissioner of  
Indian affairs to examine into the  
condition of the Indian tribes along  
the northern border of the United  
States, especially into the White  
Earth reservation in Minnesota,  
and investigate the condition of  
the Indian agency. Adopted.

The senate then passed fifty-  
seven pension bills in twenty-five  
minutes.

**HOUSE.**  
The house met at ten o'clock in  
continuance of Monday's session.  
On motion of Belmont, the senate  
amendment to the diplomatic and  
consular appointment bills were  
non-concurred in and a conference  
ordered.

The bill making appropriations  
for the payment of Mexican pen-  
sioners, was taken up and passed.  
It appropriates \$2,300,000 for the  
remainder of the current fiscal year,  
and \$4,600,000 for the next  
fiscal year.  
Payson submitted the confer-  
ence report on the bill restricting  
to American citizens ownership of  
real estate in the territories.  
Agreed.  
Willis presented a conference  
report on the river and harbor bill,  
and on demand of Anderson, of  
Kansas, the bill was read in exten-  
so, consuming over an hour.  
The report states that the senate  
had increased the items in the  
house bill by a sum aggregating  
\$2,100,000. This was reduced by  
the conference to \$1,598,580. The  
senate added twenty-nine new  
items, aggregating \$1,015,000.  
This was reduced in conference to  
\$857,500. The total of the original  
house bill was \$7,450,250.  
The total of the bill as passed by  
the senate was \$10,620,350. As it  
comes from the conference it is  
\$991,900 less. The conference on  
the report on the river and harbor  
bill was then agreed to. Ayes 177,  
nays 89.

Peel, of Arkansas, submitted a  
conference report on the Indian  
appropriation bill. Agreed to.  
Burns, of Missouri, moved to  
suspend the rules and pass the de-  
ficiency appropriation bill. An-  
other hour was consumed in read-  
ing this measure.  
Cannon, of Illinois, said if the  
bill was up for consideration in the  
ordinary way he would move to  
recommit it. It was not before  
the house upon a report that was  
either proper or courteous to the  
minority committee. Yesterday  
for the first time he saw the re-  
port. It had never been submitted  
to the committee, but if it eman-  
ated from any person but the  
gentleman from Missouri (Burns),  
he was ignorant of that fact. The  
bill appropriated about \$3,000,000,  
and in the main he concurred in  
the recommendations. It was con-  
spicuous for what was not in it.

**NOT ONLY THE NATIONAL DISEASE BUT  
MANY OTHERS.**  
It is said that dyspepsia is our na-  
tional malady. Well, BRANDRETH'S  
PILLS will cure the national malady.  
It is said that constipation is the  
curse of a sedentary life. Well,  
BRANDRETH'S PILLS certainly cure  
constipation.  
It is generally conceded that rheu-  
matism comes from acid stomach and  
sudden changes of temperature.  
BRANDRETH'S PILLS have corrected  
all this and will do it again.  
Chronic diseases are cured by tak-  
ing two to four of BRANDRETH'S PILLS  
every night for a month.

**Appropriations For the Northwest.**  
WASHINGTON, March 1.—The  
river and harbor bill, as agreed to  
by the conference committees,  
which agreement was to day fati-  
fied by both branches of congress,  
reduces the appropriations as  
passed by the senate, as follows:  
Mouth of the Columbia, from  
\$300,000 to \$225,000.  
Lower Willamette and Colum-  
bia, from \$80,000 to \$50,000, of  
which \$5,000 is to be expended in  
front of Portland.  
Cascades, from \$150,000 to  
\$125,000.  
Yaquina, from \$80,000 to \$70-  
000.

Other appropriations for rivers  
and harbors in Oregon and Wash-  
ington remain as heretofore given.  
In the provision for examination  
and surveys of the Columbia at  
the Dalles the words "boat rail-  
way" were stricken out, the thought  
presumably being that it should  
be left to the judgment of the en-  
gineers to report on the most prac-  
ticable plan for overcoming the  
obstructions, without having a  
specific plan named first by con-  
gress. The section allows sufficient  
latitude for a recommendation for  
a boat railway, if this plan shall be  
deemed by the engineers best.  
Provision is made for a survey of  
the mouths of the Cour d'Alene  
and St. Joseph rivers in Idaho.

As now passed by congress, the  
total of Oregon appropriations,  
including the Columbia river, is  
\$540,000, or within less than \$59-  
of last year's appropriation. The  
net increase is \$175,000 over the  
bill as passed by the house. It is  
worthy of remark that not since  
1881 has a river and harbor bill  
passed at a short session of con-  
gress.—*Oregonian Special.*

**A Good Nurse.**  
Should not hesitate to wait upon those  
ill with such diseases as Small-pox,  
Cholera or Scarlet Fever. There is  
little to be feared by persons waiting on  
the sick if they will use Darby's Pro-  
phylactic Fluid freely. In sick-rooms it  
should be exposed on a plate or saucer,  
and the patient sponged off with the  
Fluid diluted. For safety, cleanliness  
and comfort in the sick-room the Fluid  
is indispensable.

PARIS, March 1.—An explosion  
occurred to-day in the Beaugrenon  
colliery at St. Etienne. It is re-  
ported that several hundred min-  
ers were killed.
