Flirting on the Streets. The Chicago Journal preaches this sermon to girls on the danger of flirtation: A young girl flirts with a stranger upon the street. The result is something disagreeable, and straightway comes the excuse: "Why, I meant no harm. I never thought of doing anything wrong! I simply wanted to have a little fun!" Now, look me straight in the eye, young gossamer-head, while I tell you what I know. The girl who will indulge in flirtation with strange young men in public places, however harmless and unnocent it may appear, places herself in that estimation upon a level with the most abandoned of her sex, courts the same vile regard. Strong language for a mild-mannered Amber to make use of, but, I become a furious old grandmother the moment I see a blessed young girl tiptoeing her thoughtless way upon this road that leads to death and destruction! The boat that dances like a feather on the tide a few miles above the commencement of Niagara rapids is just as much lost as when it enters the swirling, swinging hand keeps it up stream and out of danger. A flirtation to-day is a ripple merely, but to morrow i will be a breaker, and then a whirl pool, and after that comes hope Patronize Home Industry! less loss of character.

#### TESTIMONY OF A PAINTER.

No. 105 CARLTON AVENUE, & BROOKLYN, N. Y. Allcock's Porous Plasters are undoubtedly the best external remedy manufactured. I make this assertion to the public from my own personal experience of their wonderful virtues. Suffering from severe pains in my side and chest, contracted through a severe cold. I applied a couple of Allcock's Porous Plasters upon going to bed at night. The result was, that in eight hours after applying them I could get up and walk about with very little pain or ache, when the night previous I could neither get up nor down without help, nor stoop to remove my shoes. I have since used them in my family for various ailments, and have never known them to fail to give almost

immediate relief. T. H. BACKUS.

#### Cure For Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some effection of the kidneys or neighboring organs At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspir-ation, producing a very disagreeable itching after getting wern is a comitching after getting warm, is a com mon attendant. Blind, Bleeding and Itching Piles yield at once to the appli-cation of Dr. Bosanko's Pile remedy,

HAMBURG FIGS. Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure for the reason that no one likes to take the medicine that is usually prescribed. Hamburg Figs were prepared to obviate this difficulty, and they will be found effective as well as pleasant to the taste of women and children. So cents.
