AN ARKANSAW LEGISLATOR.

A Healthy Appetite for Presents, Which He Was Proud Of. In the Arkansaw legislature: Member from Sandstone Knob-Mr. Speaker, I hope, sir, that you will let me have a few minutes' time in which to make myself square on the record. Yesterday evening Mr. Buckley Brown, from Gum Bottoms, said that I had accepted the present of a new hat from a railroad superintendent, and hinted in a way inclined to sting a sensitive man, that I had practically sold myself. TRIED

CRUCIBLE

About twenty years ago I discovered a titti sore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians but without receiving any permanent benefit Among the number were one or two specialists The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years-I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cance has healed over all but a little spot about the size of a half dime, and it is rapidly disappear ing. Is would advise every one with cancer to give S. S. S. a fair trial.
