

The Daily Astorian. ASTORIA, OREGON: WEDNESDAY, MARCH 30, 1887

The employes of the Telephone are resplendent in new uniforms.

The Columbia is due from San Francisco this morning; the Oregon sails.

The Thompson opera company has gone to pieces in San Francisco. Save the pieces.

The river boat brought down 2,300 cases of salmon from the Clifton cannery yesterday evening.

The British ship Pomona cleared for Queenstown yesterday with 63,374 bns. wheat, valued at \$53,300.

E. C. Holden will sell a dog cart and harness at auction at his rooms at eleven o'clock next Friday morning.

Good oxen for logging camps are worth \$300 a yoke on the Sound. Logs are reported to be worth \$7 a thousand there.

The Dolphin took her new deep sea net—an extraordinarily large one—aboard yesterday afternoon, and is about ready to make a haul outside.

There will be a music lantern exhibition of war views, interspersed with songs, etc., at the Y. M. C. A. gymnasium to-morrow evening.

Sheriff Ross has begun levying on personal property for delinquent taxes. He wants everyone who has not yet paid their taxes to do so at once, and save costs.

The Olympian came down yesterday afternoon, presenting, with the Ancon, the unusual spectacle of two sidewheelers at the dock. She goes to San Francisco to-day.

The ladies of the Presbyterian church are requested to meet at the close of this evening's prayer meeting to hear the report of the committee on repairs and refurnishing.

Eddie Hansen, the swift heeled youth who flies around afternoons with the Nets, was temporarily out of a job yesterday, a break in the press delaying the issue of that paper.

The Chinese are branching out extensively in the tailoring business, four Chinese tailor shops having been opened here in the past few weeks. Chinese competition is a kind that does no good to either supplier or customer.

Last Sunday the Oregonian was shown a letter from a railroad man at New York of high standing and authority, which stated that negotiations for effecting the lease of the O. R. & N. to the Short Line had been resumed, with probability of a successful termination.

In the justice court yesterday the case of F. Payne, charged with larceny from the person of Wm. Powell, was continued till two o'clock this afternoon. The complaint of Lary Sullivan against Robert Hazleton, assault and battery, will be tried before a jury at half past eight this morning.

The American ship Wm. H. Starbuck, 1,339, 143 days from New York, with general cargo, arrived in yesterday afternoon. The British ship Cockermouth, 1,297, 129 days from Liverpool, and the British bark Scottish Knight, 875, 91 days from Newcastle, also arrived in. The Gen. Miles came in from Shoalwater bay.

The latest addition to THE ASTORIAN office is a finely framed engraving of the yacht race between the Puritan and Genista on the home stretch. It was hung yesterday by A. Balmain, who makes a specialty of keeping fine marine pictures for sale. This particular picture is pronounced by connoisseurs to be remarkably life like.

A petition which has been generally signed by shipowners and masters of vessels of Puget sound, was sent Saturday for signatures of persons here, says the Tacoma Ledger. The petition is directed to the offices of the U. S. coast and geodetic survey from Gray's harbor to Cape Flattery, showing the different rocks, reefs and dangerous places along the coast.

A fishing boat manned by Peter Peterson and Jack Welch sailed from Aberdeen a few days since, bound for the Columbia river fishing grounds. This would appear to a landsman like a dangerous trip, but fishermen frequently make it and laugh at the idea of danger, says the Herald. But it's no laughing matter. This particular boat was twenty miles southwest of the Columbia river and well out to sea when picked up by a tug, with little show of making port but for the chance encounter.

"Well, that's queer freight! Where is it going?" asked a visitor yesterday, as, looking out the door, he saw a Columbia river fishing boat, in all the glory of glistening paint, hauled past. Hundreds of these boats are now being put in trim and are in the water at every point along the river front. In a few days they will be dotting the river from the bar half way to Kalama. They go to reap the \$3,000,000 harvest that without sowing or cultivation is every year garnered from the fruitful field of flowing water in front of our city.

VITIATED BLOOD

Scrofulous, Inherited and Contagious Humors Cured by Cuticura.

THROUGH the medium of one of your books received through Mr. Frank T. Wray, Druggist, Apollo, Pa., I became acquainted with your CUTICURA Remedies, and take this opportunity to testify to you that their use has permanently cured me of one of the worst cases of blood poisoning, in connection with erysipelas, that I have ever seen, and this after having been pronounced incurable by some of the best physicians in our county. I take great pleasure in forwarding to you this testimonial, unsolicited as it is by you, in order that others suffering from similar maladies may be encouraged to give your CUTICURA Remedies a trial.

SCROFULOUS ULCERS. James E. Richardson, Custom House, New Orleans, on oath says: "In 1870 Scrofulous Ulcers broke out on my body until I was a mass of corruption. Everything known to the medical faculty was tried in vain. I became a mere wreck. At times could not lift my hands to my head, could not turn in bed; was in constant pain, and looked upon life as a curse. No relief or cure in ten years. In 1881 I heard of the CUTICURA Remedies, used them, and was perfectly cured."

ONE OF THE WORST CASES. We have been selling your CUTICURA Remedies for years, and have the first complaint yet received from a purchaser. One of the worst cases of Scrofula I ever saw was cured by the use of five bottles of CUTICURA RESOLVENT, CUTICURA and CUTICURA SOAP. This soap takes the "cake" here as a medicinal soap, and is highly recommended.

SCROFULOUS, INHERITED. And Contagious Humors, with Loss of Hair, and Frangings of the Skin, are positively cured by CUTICURA and CUTICURA SOAP externally, and CUTICURA RESOLVENT internally, when all other medicines fail. Send for Pamphlet.

DRUGGISTS USE THEM. We have obtained satisfactory results from the use of the Cuticura Remedies in our own family, and recommend them beyond any other remedies for diseases of the skin and blood. The demand for them grows as their merits become known.

CUTICURA REMEDIES. Are sold everywhere. Price: CUTICURA, the Great Skin Cure, 50 cts.; CUTICURA SOAP, an Exquisite Beautifier, 25 cts.; CUTICURA RESOLVENT, the New Blood Purifier, \$1.00. POTTER DRUG AND CHEMICAL CO., Boston.

Choking Catarrh. Have you awakened from a disturbed sleep with all the horrible sensations of an assassin clutching your throat and pressing the life from your throat-chest? Have you noticed the languor and debility that succeed the effort to clear your throat and head of this catarrhal matter? What a depressing influence it exerts upon the mind, clouding the memory and filling the head with pains and strange noises! How difficult it is to rid the nasal passages, throat and lungs of this poisonous mucus all can testify who are afflicted with catarrh. How difficult to protect the system against its further progress towards the lungs, liver and kidneys, all physicians will admit. It is a terrible disease, and cries out for relief and cure.

For some weeks past an agent has been going the rounds of places of amusements, business houses and offices of various companies soliciting advertisements in a novel project. He proposes to place a large and handsome bible in every room in every hotel in the United States. The bible is to be interspersed with advertisements, like the dictionary. "Why don't you try Boston?" he was asked the other day. He replied: "I did, but I did not get any one to advertise. The people I talked with there said an advertisement in a bible in Boston would never be seen. I am doing much better in New York than I anticipated. Here is a fly-sheet vacant opposite the first chapter of St. Mark; do you want it?" N. Y. World.
