Brough on Reavey.
New York, March 29.—Alexander H. Reavey, a lawyer who was sentenced by the court of general sessions in January, 1885, to two and one half years' imprisonment in the penitentiary for having misappropriated a retainer given him by Mrs. Katherine Von Reitzenstein, procured a stay of proceedings after he was sentenced. Since that he has been confined in the Tombs as the case has been taken to the court of appeals where it is still pending. If he had been taken to the penitentiary after his conviction, with the usual allowance for good conduct, his sentence would have run out January 4th, last. He procured a writ of habeas corpus and appeared before Judge Patterson in supreme court chambers to apply for a discharge from jail. The main point made was that the Tombs was a branch of the penitentiary and consequently he is entitled to be discharged. A decision was handed down yesterday that he must serve out the entire time; his incarceration up to the present time does not count. After reviewing the facts in the case, Judge Patterson says: "The question is, has the prisoner been confined under judgment of the courts. The answer must be in the negative because he himself prevented judgment being executed by securing from this court an order for its suspension pending appeals."

Reavy is the first lawyer prosecuted under the code that makes it a criminal offence to accept a retainer without intention of rendering service therefor.
A Probable Uxoricide.
SEATTLE, March 29.—Sunday Mrs. J. E. Spofford died under suspicious circumstances at Slaughter, about twenty-five miles from here. As she was about to become a mother, the neighbors became suspicious and suspected her husband of being the cause of her death. The district attorney and sheriff were notified, and left Seattle yesterday to investigate. They found sufficient evidence to arrest J. E. Spofford, husband of the deceased, and the sheriff brought him to Seattle this evening and lodged him in jail. He admits giving his wife Indian medicine to cause an abortion. He dug a grave and buried his wife immediately after her death. The neighbors told the officers if they had not made their appearance they would have lynched Spofford.

A Sensational Case.
CHICAGO, March 29.—The inquiry begins here to-day into the mysterious death of Frederick Worth. On March 20th, Jacob Kuebler, apparently in a trance, told the police to look for the body in the place where it was found, and was arrested on suspicion. The belief is now prevalent that Kuebler was not the murderer, but was "hypo-notized" by the real criminal and made to tell what he did. His only explanation is that while eating his supper he had a vision of Worth's dead body and felt impelled to go and report the fact. At first everyone thought him insane. The case is attracting much attention.

AN UNDISPUTED TEST OF MERIT.
A medicine that has been a household remedy for over fifty years and used in that time by more than 150,000,000 persons must have great merit. Such a medicine is found in BRANDRETH'S PILLS. This fact illustrates the value of these pills better than any statement of the proprietors. It will be observed that the dose required to cure is small. One or two pills taken every night for ten or twenty days will cure dyspepsia, costiveness, rheumatism, liver complaint, all female complaints and weaknesses.

Handsome men are not objectionable when they have good sense; but there's the trouble.—N. O. Picayune.

Erratic Excerpts.
Ben Huntaker, after wallowing all winter in the luxuries of town life, has moved to his ranch in Spring hollow, where he intends to superintend the job of making up his last winter's loss of sheep.
Dick Malloy says if the government wants a few rams for coast defence, it should send some one out to his ranch. He has three old rams out there that can, he thinks, butt a hole in any war vessel afloat.
No person with a hankering for fine literature should be without the Hepp *Gazette*. A copy of Shakespeare and this rag for one year make a literary combination that is hard to beat. Genius and grit, and plenty of it.
Doc Shobe is out of luck. He had a chance to give away his brindle dog last Friday, but the pup could not be found. He came skulking home in the twilight, however, ready for supper, with his usual clock-like regularity.

The blossom of the cork now blooms, and the very dark-garnet-colored ladies of the Columbia are sharpening up their coarse hooks that have grown dull from use in dissecting dried venison, preparatory to a summer campaign among the rocky foot hills of the Blue mountains.
This shop has fished out from the rubbish in the woodshed a couple of old tomato cans, and next Sunday it proposes to go up on the sunny slopes of Nels. Jones' hill and fill them with beautiful buttercups and such like truck, which now grow there in plentiful profusion.
A number of up country exchanges come sneaking in on the half-shell this week. The Idaho county *Free Press* looks like a badly colored meerschaum pipe. It crows over the passage of the annexation bill, which died on the 4th day of March of an overdose of innocuous desuetude. The *Free Press* must get its news by pack train.—Heppner *Gazette*.

Erysipelas and Obstinate Ulcers, Boils, Carbuncles and Running Sores of every kind are cleansed, the poison-germs destroyed and a speedy cure effected by using Darby Prophylactic Fluid.
"I have been afflicted with the Erysipelas. Nothing would heal the sore or stop the running. I used Darby Prophylactic Fluid and found a speedy cure. Have also tried it in several other cases and it proved effectual."—S. P. GEESE.
Sir Henry Tichborn will come of age in May next, and will enter upon the possession of his much "claimed" estate, which will pay him a net income of about \$45,000 a year.

"At Night" Always have Babu Ashutosh Mukerji, M. A., F. R. A. S., the Pre-mchand Roy-chand student of India, has been elected a fellow of the Royal Society of Edinburgh.
The reason Why Acker's Baby Elixir is warranted, is because it is the best Blood Preparation known. It will positively cure all Blood Diseases, purifies the whole system, and thoroughly builds up the constitution. Remember, we guarantee it.

SIMMONS' LIVER REGULATOR
FAULTLESS FAMILY MEDICINE
"I have used Simmons' Liver Regulator for many years, having made it my only Family Medicine. My mother, before she was very partial to it. It is a safe, good and reliable medicine for any disorder of the system, and if used in time is a great preserver of health. I often recommend it to my friends, and shall continue to do so."
—Rev. James M. Rollins,
"Pastor M. E. Church, So. Fairfield, Va."
TIME AND DOCTORS' BILLS SAVED BY always keeping Simmons' Liver Regulator in the house.
"I have found Simmons' Liver Regulator the best family medicine I ever used for anything that may happen. I have used it in Indigestion, Colic, Diarrhoea, Biliaryness, and found it to relieve immediately. After eating a hearty supper, if, on going to bed, I take about a teaspoonful, I never feel the effects of the supper eaten."
