Gov. Pennover has decided to appoint J. H. Slater, of LaGrande, ex-United States senator, the Democratic member of the railroad commission. It has hereto fore been the general impression that R. F. Gibons, of The Dalles, the defeated candidate for secretary of state, would be named for that position. In fact Mr. Gibons was some time since offered the appointment, but he asked until the 25th inst. to consider whether or not he should accept, the reason for this request being presumably that he was an applicant for appointment as collector of customs at Portland, and he thought that by that time he would know whether or not he would receive the coveted office. On the 25th Mr. Gibons declined the appointment tendered by Gov. Pennoyer, and the latter immediately offered it to Senator Slater. Mr. Slater has not been heard from, but he is expected to arrive in Salem to

sore on my cheek, and the doctors pronou it cancer. I have tried a number of physicians, but without receiving any permanent benefit, Among the number were one or two specialis The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years-I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
