The following wise suggestion is given the public by the third assistant postmaster-general: "Write or print corner of all mail matter. This will assure its immediate return to you for correction, if improperly addressed or insufficiently paid; and, if it is not called for at its destination, it can be returned to you without going to the \$600,000. lead-letter office. If the patrons of

the mail would do this, it would enable the department to restore at least ninety per cent. of all undelivered mail matter. The letters would be returned free, and parcels upon payment of return postage."

There are many similar acts of unnoted heroism on the lower Co-lumbia every season. Many a fisherman risks his life in an endeavor to save the lives of his comrades, and it

Enjoy Life. What a truly beautiful world we live in! Nature gives us grandeur of mountains, gleus and oceans, and thousands of means of enjoyment.

At the regular meeting last Thursday, Beaver Lodge No. 35, I. O. O. F., elected A. J. Megler, G. Reed, J. W. Welch and C. A. May delegates to the grand lodge, I. O. O. F., which meets at East Portland, May 17th.

Considerable improvement is noted in upper Astoria in the way of building. That community needs a fire company and an engine about as badly as anything. Some day a fire may destroy ten times the cost of an engine for want of appliances to prevent it.

The James Williams packing company has been incorporated. Jas. Williams, J. F. Ryan and Jas. T. Jas. Gannon are the incorporators. The capital stock is \$50,000, divided into 500 shares of \$100 each. The busi-ness is catching salmon in the Columbis river and Puget sound.

Messrs. Reed, Thompson and Campbell, the board of fish commissioners, have been at the Clackamas hatchery eight miles east of Oregon City, during the week. It was found to be in a very dilapidated conditon and needs complete overhauling, if not rebuild-ing. That vicinity will probably be the headquarters of the commission this summer.

Articles of incorporation of the Columbia River Packing Company have been filed in San Francisco, the been hed in San. Francisco, the object being to catch, preserve and self salmon and other fish. The cap-ital is \$100,000, divided into 2,000 shares. Sixty thousand have been subscribed. The trustees are Fran-cis Cutting, Sidney M. Smith, N. W. Tallant, T. H. Hobron, A. D. Cutter.

There was a pleasant social gather-ing at Mrs. C. L. Parker's yesterday afternoon, which was a season of enatternoon, which was a season of en-joyment to all present. Among the invited guests were Mrs. J. Q. A. Bowlby, Mrs. D. K. Warren, Mrs. A. C. Kunney, Mrs. J. F. Halloran, Mrs. C. Brown, Mrs. F. L. Parker, Mrs. A. G. Allen, Mrs. G. W. Hook & Ladder company sent to the scene of the fire, the distance, and the condition of the roadway causing the detention of the engines here. It was fortunate for the residents on the south side of the road that the wind was in the quarter from which it was blowing. The houses were 30x60 and burned completely, together with the

foundation and a part of the wharf. The loss is estimated at all the way from \$1,500 to \$2,000. There was \$500 insurance on each building, placed in San Francisco by Scotchler & Gibbs, the lessees.

The Face.

The care of the complexion has be ome an accomplishment that no lady of refined tastes can afford to ignore and in leading society circles it claims as much thought as do the fashions. It is an acknowledged fact that the variations of our climate are very se vere on the complexion, noticeable by a roughness and dryness of the skin, and to counteract this effect it becomes necessary to call in the aid of art. In the selection of this agent too much care cannot be exercised. It is well known to the chemist that many of the so-called "blooms," "balms," "creams," etc., contain lead and other poisonous substances, the long-continued use of which is dan-gerous. Wisdom's Robertine is guaranteed under a forfeiture of \$1,000, to be absolutely free from poisonous substances. If you have not yet tried it, do so at once, and be one of the

hundreds who pronounce it the most delightful toilet article ever pro-duced. Wisdom's Robertine is sold at fifty cents per bottle. Sold by W. E. Dement & Co.
