

The Daily Astorian.

ASTORIA, OREGON:
WEDNESDAY, APRIL 12, 1887

Cub gentle sprig, ethereal milder
cab; kachoo.

The infant child of E. Rasmussen
was yesterday buried in the hillside
cemetery.

In the *Oregonian* and the *Roseburg
Pioneer* occurs the pronoun "I,"
instead of the customary "We" in
occasional editorial columns.

The ladies of the M. E. church will
have a social at the residence of Mrs.
G. W. Rucker to-morrow evening. A
general invitation is extended.

Judge Wm. Strong, who died at
his son's residence in Portland last
Sunday, held the first term of court
ever held in this county, at Skippanon,
in 1850.

"They say" that Mr. Wolff, of the
busted Thompson opera company,
owns two candy stores in Chicago.
He was certainly able to distribute
considerable taff.

A second ward resident claims to
have a "Mascote," which insures him
continual luck. But a Mascote not
obtained in the salmon season is
liable to turn out to be a hoodoo.

Friends of the fire department will
be glad to know that Monday's ball
was a financial as well as a social
success. The Woman's Relief Corps set
a very fine table, and again yesterday
afternoon, displayed a most appetizing
lunch.

In the hillside cemetery is a grave,
probably the oldest marked of any
grave north of San Francisco. The
monument is a sandstone slab, on
which is recorded that he who sleeps
beneath bore the name of McEavish,
and that he was buried there in 1814.

Zamloch will be here next Monday,
Tuesday and Wednesday. "His four
years since he appeared in Astoria,
when he drew crowded houses; he
has several new features and will,
doubtless, have large audiences. Re-
served seats may be had at the Cris-
tal Palace.

It seems impossible to keep a good
dog, for despite all care, about the
time the animal is trained, and of
some value to his owner, some brother
of the dog's will either kill, steal or
poison the brute. Some clever dogs
are now in England, having been
stolen from their owners' houses and
put on outward bound vessels.

Regarding alleged "shanghaing," a
prominent citizen says that if shang-
hainers would use his judgment in the
selection of worthless characters they
would win popular applause. There's
something in the idea, but like free
trade, interstate commerce and prop-
erty qualifications for voters, the the-
ory looks better than the practice
would work.

Pursuant to call the Astoria loan
and building association held a large,
well attended meeting at the court
house at half past seven last evening
when the following named gentlemen
were chosen directors: J. P. Dickin-
son, J. H. D. Gray, F. R. Stokes, E.
A. Noyes, A. S. Reed, J. Q. A. Bowl-
by, C. S. Wright, J. E. Ferguson, J.
R. Gilstrap.

United States inspectors Ferguson
and Lotan have finished the inspec-
tion of the little steamer *John West*,
and have issued the papers to her
captain, Dean Blanchard. The *John
West* is licensed to ply between this
city and Cape Hancock, says the *Ter-
razza*, but will probably confine her
route to running between Astoria, Il-
waco and Fort Canby.

The *News* reports that the season is
considerably behind this year. From
the signal service office the re-
port comes that February showed a
deficiency of 240 degrees of heat as
compared with the normal; March
was 33 degrees in excess, and so far,
April is about 22 degrees behind.
The relative humidity, however, ap-
pears to hold its own pretty well.

PERSONAL.

Capt. Flavel is expected to return
on the 21st.

Geo. W. Hume is a passenger on
the incoming steamer.

Mr. Marks, the advance agent of
Zamloch, the prestidigitator, is in the
city.

ASTONISHING SUCCESS.
It is the duty of every person who
has used *Boschee's German Syrup* to
let its wonderful qualities be known
to their friends in curing Consump-
tion, severe Coughs, Croup, Asthma,
Pneumonia, and in fact all throat
and lung diseases. No person can
use it without immediate relief. Three
doses will relieve any case, and we
consider it the duty of all Druggists
to recommend it to the poor, dying
consumptive, at least to try one bottle,
as \$3.00 dozen bottles were sold last
year, and no one case where it failed
was reported. Such a medicine as
the *German Syrup* cannot be too
widely known. Ask your druggist
about it. Sample bottles to try sold
at 10 cents. Regular size, 75 cents.
Sold by all Druggists and Dealers,
in the United States and Canada.

tion council adjourned.

The Verdict Unanimous.
W. D. Sult, Druggist, Bippus, Ind.,
testifies: "I can recommend Electric
Bitters as the very best remedy. Every
body who has ever handled it in my
store has been cured. One man took
six bottles, and was cured of rheuma-
tism of 16 years' standing." Abraham
Hare, druggist, Belleville, Ohio,
affirms: "The best selling medi-
cine I have ever handled in my 20 years'
experience, is Electric Bitters. Thou-
sands of others have added their testi-
mony, so that the verdict is unanimo-
us that Electric Bitters cure diseases
of the Liver, Kidneys and Blood. Only
a half dollar a bottle at W. E. Dement &
Co's Drug Store.

The Face.
The care of the complexion has be-
come an accomplishment that no lady
of refined tastes can afford to ignore,
and in leading society circles it claims
as much thought as do the fashions.
It is an acknowledged fact that the
variations of our climate are very se-
vere on the complexion, noticeable by
a roughness and dryness of the skin,
and to counteract this effect it be-
comes necessary to call in the aid of
art. In the selection of this agent
too much care cannot be exercised.
It is well known to the chemist that
many of the so-called "blooms,"
"balms," "creams," etc., contain lead
and other poisonous substances, the
long-continued use of which is dan-
gerous. Wisdom's *Robertine* is guar-
anteed under a forfeiture of \$1,000,
to be absolutely free from poisonous
substances. If you have not yet tried
it, do so at once, and be one of the
hundreds who pronounce it the most
delightful toilet article ever pro-
duced. Wisdom's *Robertine* is sold
at fifty cents per bottle. Sold by W.
E. Dement & Co.

tly yet thoroughly to dispel Headaches,

MARINE MENTION.

Unusual quiet is reported in ship-
ping generally.

The lost steamship *Mexico*, was in-
sured for \$150,000.

The *Escort* left yesterday for San
Francisco, to have a new boiler put
in.

The *Columbia* is due from San
Francisco this morning: the *Oregon*
sails.

The British bark *Arethusa*, now
137 days from Liverpool, and due,
has 10,000 boxes tin plate for Astoria.

The schooner *J. W. Seaver*, lost on
the California coast, was bound for
Knappton. She was insured for \$5,
000.

The ship *Highland Light* has
been bought by Captain Plummer,
and will be placed in the coast coal
trade.

The steamer *Favorite* was arrested
yesterday by deputy U. S. marshal
J. C. Ross. There will be no deten-
tion in her trips.

The San Francisco tugs *Thetis* and
Zelus have been sold to the Com-
pagnie du Canal Interocéanique, and
will be sent down to Panama.

The pilot in charge of the *Mexico*
at the time she was wrecked, says
that the tide set the vessel on the
reef, and that she lies in an easy po-
sition and can be raised.

About the 15th a whistling buoy
with white and black perpendicular
stripes will be moored off the entrance
to Yaquina bay, Oregon, about two
miles southwest of the end of the
jetty and in fifteen fathoms of water.

It is reported that the *Pioneer*
has been sold to Goodall, Perkins & Co.
Negotiations for her sale have been
going on for several months. It was
supposed that she would go to Sound
parties about January, but the prob-
abilities now favor the truth of the
above report.

The Wreck of the *Champion*.

Chas. Willoughby, Jr., who was on
the sealing schooner *Champion*,
writes that she was caught in the
southwest gale on Friday last, and
her sails blown away, after which she
was squarred away for the Vancouver
shore and ran in on the beach at Nit-
nat. Out of twenty-eight on board
only one was lost, though it was a
close call. The schooner capized, but
righted again. "George Shee-
camp," an Indian, was washed over-
board after they got into the break-
ers. The schooner is a total loss.
She was built by Capt. E. H. Mc-
Almond at Dungeness a few years
ago, and was by him sold recently to
Chief Peter of the Makah Indians, to
be used in the sealing business. She
had been used mostly in sealing and
piloting, and was a fast sailer. She
was believed to be insured.—*Port
Townsend Argus*.

Last Evening's Soiree.

The sociable given by the ladies'
auxiliary committee of the Young
Men's Christian Association at their
rooms last evening passed off very
pleasantly. Quite a number of young
people were present, and all seemed
happy and well satisfied with one
another.

The singing by the male choir was
very good, and an original reading by
Mr. E. Prescott, supposed to be the
life of Chaucer, was much appre-
ciated. Miss E. C. Warren read an
amusing growl from a newly married
man. A quartette entitled "Good-
Night, Kind Friends," brought a very
pleasant evening to a close.

Unnecessary Misery.
Probably as much misery comes
from habitual constipation as from
any derangement of the functions of
the body, and it is difficult to cure,
for the reason that no one likes to
take the medicines usually pre-
scribed. HAMBURG FIGS were
prepared to obviate this difficulty,
and they will be found pleasant to
take in taste and children. 25
cents. At all druggists, J. J. Mack
& Co., proprietors, S. F.

The Judge Got the Baby.

A habeas corpus case was brought
before Judge Dickens for trial last
Tuesday for the possession of a col-
ored baby. There was an able array
of counsel for both claimants. Both
sides proved so much that Judge
Dickens was in doubt about who was
really the right owner of the child.
Bethinking himself of a bible pre-
cedent, the judge proceeded to grab the
baby by the leg, reaching down into
his girdle and pulling out his bowie
knife, proposed to do the square thing
by the claimants by slicing the baby
in two. Both claimants, thinking
the judge had a right to divide the
baby, rushed frantically up to him
saying, "Boss, don't kill him! You
may have him."—*Henry County (Ga.)
Weekly*.

Excitement in Texas.
Great excitement has been caused in
the vicinity of Paris, Tex., by the re-
markable recovery of Mr. J. E. Corley,
who was so helpless he could not turn
in bed, or raise his head; everybody
said he was dying of Consumption. A
trial bottle of Dr. King's New Discovery
was sent him. Finding relief, he
bought a large bottle and a box of Dr.
King's New Life Pills; by the time he
had taken two boxes of Pills and two
bottles of the Discovery, he was well
and had gained in flesh thirty-six
pounds.

SOLVENT, a new Blood Purifier, internally,
are infallible.

A COMPLETE CURE.
I have suffered all my life with skin dis-
eases of different kinds and have never
found permanent relief, until, by the advice
of a lady friend, I used your valuable CUTI-
CURA Remedies. I gave them a thorough
trial, using six bottles of the CUTICURA RE-
SOLVENT, two boxes of CUTICURA and seven
cakes of CUTICURA SOAP, and the result was
just what I had been told it would be—a
complete cure.

now I am entirely cured.

Catarrh to Consumption.
Catarrh in its destructive force stands next
to undoubted leads on to consumption.
It is therefore singular that those afflicted
with this fearful disease should not make it
the object of their lives to rid themselves of
it. Descriptive remedies concocted by ignorant
pretenders to medical knowledge have
weakened the confidence of the great
majority of sufferers in all advertised re-
medies. They become resigned to a life of
misery rather than torture themselves with
doubtful palliatives.

But this will never do. Catarrh must be
met at every stage and combated with all
our might. In many cases the disease has
assumed dangerous symptoms. The bones
and cartilage of the nose, the organs of hear-
ing, of seeing and of tasting so affected as to
be useless, the uvula so elongated, the throat
so inflamed and irritated as to produce a
constant and distressing cough.

SARGENT'S RADICAL CURE meets every
phase of Catarrh, from a simple head cold
to the most loathsome and destructive stag-
e. It is local and constitutional. Instant in re-
lieving, permanent in curing, safe, economi-
cal and never-failing.

Each package contains one bottle of the
RADICAL CURE, one box CATARRHAL SOLU-
TENT, and an IMPROVED INHALER, with treat-
ise; price \$1.
