FRESH CLATSOP EGGS

Can be had of L. M. Shaffaer 5i Water St., and Wherry & Co.'s market opposite Occident Hotel. I don't claim they are fresh as some do who have but a few chickens and it takes them a month to get a shioment, but because I have the largest Chicken rauch this side of Portland, run by experienced hands, pick up the eggs every day and bring them to town 3 times a week. And don't you forget it that every egg bought from the above parties is guaranteed by them to be fresh.

S. E. STANLEY.

Prefer to be Called Negroes.

The New Orleans Southwestern Christian Advocate, a newspaper for negroes, says that according to its observation the great mass of white persons, when talking with each other, say "negro" (the low-bred say nigger), but when speaking to negroes they say "colored people," which is the same as to say: "You are negroes, but I cater to your foolish pride in say-ing colored." "We can stand and prefer," says the Advocate, "to be called negroes all the time, for the simple reason that we are negroes."

TRIED

About twenty years ago I discovered a little sore on my cheek, and the doctors pronoun it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years-I had a backing cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My canon has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to

give S. S. S. a fair trial. MRS. NANCY J. McCONAUGHEY, Ashe Grove, Tippecanoe Co., Ind. Pob. 16, 1986,
