

The Daily Astorian.

ASTORIA, OREGON: TUESDAY, APRIL 26, 1887

Regular council meeting to-night. An account book awaits ownership at this office.

From present appearance spring has received another postponement.

"Los Angeles measles," is what they call small pox in California now.

Reports from up river are the same as from local canneries, "very few fish."

The Columbia arrived yesterday from San Francisco; the Oregon sailed.

The Gen. Miles came in from Tillamook last Sunday with a tow of boats for Sam'l Elmore's cannery.

A fine painting of Mt. Rainier, the work of Mrs. Jas. A. Davidson, is on exhibition at Griffin & Reed's.

Mrs. Bryce is prepared to do first class dressmaking, and makes a specialty of cutting and fitting.

The British bark Renfroshire, coal laden, came in last Sunday, and is discharging coal at Flavel's dock.

The fifth annual convention of the W. C. T. U. of Oregon, will take place at The Dalles May 17th, closing on the 20th.

Dr. A. L. Fulton has received fresh vaccine matter and is prepared to vaccinate any one desirous of being vaccinated.

The Vancouver timber cases, where-in fraud was alleged, have been indefinitely postponed, on motion of special agent Munday.

The impression is reported to prevail in Portland that a rate of \$150 on wool to Boston will be named, and about \$1 a hundred on salmon.

There are three vacancies in the Portland city council to be filled, and the Telegram says there are only twenty-seven candidates. Just think!

Effort is being made to establish a branch hydrographic office in Portland, the same as in San Francisco. The office would be a valuable adjunct to Columbia river commerce.

Some boys at Young's river last Sunday found that that unfortunate Chinaman who was lying dying of leprosy in a cabin there, had died. His countrymen were notified yesterday.

No new appointments will be made in the state immigration board, and the board will be allowed to die of starvation, the last legislature having provided no funds for its maintenance.

Beaver Lodge No. 35, I. O. O. F., will celebrate the 68th anniversary of the founding of the order by a social entertainment at their lodge room to which all members in good standing, their families and lady friends are invited, this evening.

Last evening Willie Young, the 13-year-old son of Mr. Max Young, of upper Astoria, sustained a serious accident, in experimenting with a dynamite cap, which exploded and tore off the first joint of the thumb and the top of the first and second fingers of the left hand.

Last Monday the Olympians wanted to fire a salute in honor of Gov. Semple, but found that the only cannon in town belonged to Governor Squire. It took a good deal of elbow grease to borrow a cannon from a man to fire a salute in honor of his successor but the salute was fired, all the same.

The fine badge, previously noted, made by G. Hansen, and marked "High boat, Columbia river, '87," was captured for \$50 yesterday by C. Timmons, of the Fishermen's Packing Co. Some one of the employees of that company will win the prettiest and costliest salmon badge yet seen on the river.

After other desultory debate the board adjourned.

Famous Women.

Madame Trebelli, the greatest of living contraltos who has traveled extensively, in fact visited every county and city of note in the world, has just departed from the slope of the Pacific, and often expressing the greatest admiration for the beauty and grandeur of our scenery and the delightful mildness of our climate, left the following written note as a living expression of her opinion in the hands of a Portland druggist, the original of which can be seen on demand. PORTLAND, Or., April 6, 1887. Dear Mr. Weston.—I have tried your "Robertine," and gives me much pleasure to say that it is excellent for the complexion, being one of the best articles of the kind I have ever used. Believe me, yours sincerely, Z. TREBELL.

If any further proof of the excellence of this article is required call on Messrs. W. E. Dement & Co. of Astoria, Or., who, for the small sum of fifty cents, will produce evidence that will satisfy the most skeptical and fastidious, and give you a beautiful picture card for the trouble of enquiring.

General Gibbons has received the following telegraphed instructions from headquarters at Washington: "In view of the depleted condition of the appropriation for transportation of the army for the current fiscal year, as reported by the quartermaster-general, the secretary of war directs that no orders be issued from your headquarters involving expenditure therefrom except for the most necessary routine purposes."

Unnecessary Misery.

Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure, for the reason that no one likes to take the medicines usually prescribed. HAMBURG FIGS were prepared to obviate this difficulty, and they will be found pleasant to the taste of women and children. 25 cents. At all druggists. J. J. Mack & Co., proprietors, S. F.

Our Boys' hose team is taking active steps towards attending the firemen's tournament to be held in Vancouver in June next.—Walla Walla Union.

A Gift for All.

In order to give all a chance to test it, and thus be convinced of its wonderful curative powers, Dr. King's New Discovery for Consumption, Coughs and Colds, will be, for a limited time, given away. This offer is not only liberal, but shows unbounded faith in the merits of this great remedy. All who suffer from Coughs, Colds, Consumption, Asthma, Bronchitis, or any affection of Throat, Chest, or Lungs, are especially requested to call at W. E. Dement & Co.'s Drug Store, and get a Trial Bottle Free, Large Bottles \$1.

Happiness and health are important problems, the former depending greatly on the latter. Everyone is familiar with the healthy properties of fruit, and no one can afford to be sick and miserable while the pleasant liquid fruit remedy Syrup of Figs, may be had of your enterprising druggists W. E. Dement & Co.

PATRIOTIC PRINEVILLIANS.

It is said Governor Penneyer promptly responded to the following appeal with the commissions asked for:

PRINEVILLE, Or., April 7.

Hon. Sylvester Penneyer, governor of the state of Oregon and commander-in-chief of the state militia.—The irrepressible and invincible cowboys of Crook county desire to serve their country and work off some of their superfluous martial ardor (commonly called cussedness), in a way that will send their names thundering down the ages; they burn to wear a uniform, hear drums and see a battle; they want to be soldiers, bedad! so that when the demon of havoc whoops "carrage" and unties the dogs of war, they can run to the fore, and, side by side with the Portland braves, capture a hen roost and lift the scalp off a beer bottle, and to that end most respectfully ask to be authorized, empowered and allowed to form a militia company, with headquarters, barracks, free lunch counter, or whatever it is called, at Prineville. We are a hundred strong and we do not expect to be appointed generals. A few of the boys are perfectly willing to be colonels, and even some would be corporals. We are not stunk up; we only ask to be allowed to serve our country and draw our proportion of the public funds, in fact the latter is the main object. All the boys are experts on the draw, and we can assure you we will not shirk any financial task you as commander may impose on us. Hoping to hear from you (with a commission), I am respectfully, GEO. W. BARNES.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower, will make them free from disease, as when been. Dyspepsia and Liver Complaint are the direct causes of seventy five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

Had Lived in El Dorado Himself.

"Say, Judge," said Edward F. Forrester when called up yesterday before Judge Hornblower for sentence on a charge of vagrancy, "say, Judge, I was loaded and didn't know what I was doin' when they took me in for beggin'. Let me off this time and I'll wander away to the wilds of El Dorado county, and hide myself in some secluded dell an' borry a plow an' fence in 100 acres o' land an' plant olives an' things. Yes, Judge, I'll train up a vine and fig tree in th' way they should go, an' build a little cottage, an' in th' summer evenin's I'll sit on me rustle porch an' play a lute while the twinklin' stars is laughin' and the birds is bein' lulled t' rest by its soft enances."

"El Dorado county!" returned his honor, "why, I lived there once myself, and a reminiscent smile o'er-spread the judicial countenance."

"Ye did, did ye, Judge? D'ye know Nigger Hill an' Cleome's saloon? Cleome's oldest boy married one of the Stallins' darters, 'ome like Stallins, what owned the wall-eyed mawel what kicked so hard. Ole Stallins bet he could break up more hard rock than any quartz mill in th' county."

"Dismissed!" gasped the judge. "Bailiff, take him out for heaven's sake." And the El Dorado pioneer was led from the court room, hurling at the judge as he went disjointed ejaculations of admiration of the kicking capacity of Stallins' "mawel."

Renews Her Youth.

Mrs. Phoebe Chesley, Peterson, Clay Co., Iowa, tells the following story: the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain."

Syrup of Figs.

Manufactured only by the California Fig Syrup Co. San Francisco Cal. is Nature's Own True Laxative. This pleasant liquid fruit remedy may be had of W. E. Dement & Co. at fifty cents or one dollar per bottle. It is the most pleasant, prompt and effective remedy known, to cleanse the system; to act on the Liver, Kidneys and Bowels gently yet thoroughly; to dispel Headaches, Colds and Fevers; to cure Constipation, Indigestion and kindred ills.
