FRESH CLATSOP EGGS

Can be had of L. M. Shaffaer 61 Water St., and Wherry & Co.'s market opposite Occident Hotel. I don't claim they are fresh as some do who have but a few chickens and it takes them a month to get a shi-ment, but because I have the largest Chicken ranch this side of Portland, run by experienced hands plek up the eggs every day and bring them to town I times a week. And don't you forget it that every egg bought from the above parties is guaranteed by them to be fresh. S. K. STANLEY.

Some time ago a confidential clerk in the employ of a firm in Indiana skipped the gutter with several thou-sand dollars in ready cash. While it was determined to bunt him down at all hazards, the firm did not feel like wasting a great deal of money in so wasting a great deat of money in so doing. A one-horse country detect-ive was therefore employed, and after a while he traced his man to Detroit. The detective didn't pro-pose to share any of the glory with the Detroit officers, and he slid around for a week before he learned that his man was in Windsor. Then he went over there, still working on the quiet, and a nice young man at one of the hotels informed him that the defaulter had just gone to Toronto, but would be back in a few days. The pair became fast friends, and the nice young man had his daily drinks and cigars, at the detective's expense. The two came over to Detroit, and attended the theater, and had good times, and it was the opinion of the officer, that he never met such a nice young man. Finally, a night or two ago, as they landed from the boat on the other side, the detective

inquired:—

"What did you do in Vincennes?" "Clerked for Lath & Shingles." "What! Why, that is the very firm that was robbed!" "Yes, I know," was the placid

reply. "And your name is—what?" que-"William Green!"

sore on my cheek, and the doctors propounced it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years-I had a backing cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappear-

ing. I would advise every one with cancer to give S. S. S. a fair trial. Mus. NANCY J. McCONAUGHEY, Ashe Grove, Tippecanoe Co., Ind
