The acting secretary of the interior has approved the decision of the commissioner of the general land office, holding that the triangular body of land, embracing some 200,000 acres, lying north-west of the forfeited grant to the Oregon Central railway company and lying along the line of the forfeited portion, to be public lands and subject to entry.

Advices from Kodiak, Alaska, bearing date of April 5, state that the schooner *Flying Scud*, hailing from that port, was lost at sea. Those on board were her owner, H. Anderson, Capt. The steamer *St. Paul* will leave San Francisco for Seal islands and St. Michael's about May 10. She will carry several missionaries to the great Arctic province to labor among the natives. Supplies for miners on the upper Yukon will form a portion of her freight.
