A fine illustration of a "long haul" charge under the interstate commerce law, occurred the other day, says the Ledger, when a carload of oil in boxes arrived in Tacoma from the Standard Oil company of Cleveland. Said to Have Been Turned Adrift. SAN FRANCISCO, May 1.—It was a girl of plump form, rosy cheeks, sparkling black eyes and rather prettily possessing features, that stood up in the dock of the Oakland police court yesterday and gave her name as Etna Cason when a charge of vagrancy was read to her. "What is your plea?" asked the clerk. In a frightened tone the mere child answered: "Guilty." Police Captain Thomas then took a hand. "If your honor please," he said, "I would like to say a word in regard to this case. I found this young girl wandering upon the streets followed by a gang of young hoodlums, and I took charge of her. From her story it seems that she was brought down from her home in Portland, Oregon, by the salvation army, and now they have turned her adrift upon the streets, among strangers, and without a cent of money. If the facts are as she states them the salvationists are to blame in this matter." The court continued the case until the girl's relatives could be communicated with.

Dyspepsia and Liver Complaint are the direct causes of seventy five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.
