

The Daily Astorian. ASTORIA, OREGON: SATURDAY, MAY 28, 1887.

J. B. Wyatt is in the city. J. A. Davidson is in the city. W. L. McCabe is in Portland. Dr. LaForce has returned from Chehalis. G. A. Charnock arrived yesterday from San Francisco. P. A. and E. A. Stokes were among the arrivals on yesterday's steamer. The State sailed at noon yesterday; the Oregon arrived in shortly after. The Oregon brought up several hundred feet 6 in. pipe for repairs to the line of the Columbia Water Co. The A. B. Field, from Tillamook, is discharging 138 bbls salmon at the O. B. & N. dock. The Rosie Olsen is loading for Tillamook. The State took yesterday 165 cases salmon, Columbia River Packing Co., 255, Occident; 400, Eureka; 90 sbs oysters, and 2,000 bds. shooks. The Young Woman's C. T. U. will meet at the Y. M. C. A. Hall at 3 this afternoon. The Rescue Club meets at Carruther's Hall at 8 this evening. The city council, the Woman's Relief Corps, Co. "H," O. N. G., the Fort Canby Post, G. A. R., and the troops at the fort have been invited to take part in the observance of memorial day by Cushing Post, No. 14, G. A. R., next Monday. Trouble is reported from Miller's sands, opposite Elliott's Landing, Oas. Wood having yesterday anchored his scow across seining ground claimed by Elliott. There has been litigation and dispute concerning these seining grounds for some time. Next Saturday has been designated by the Legislature as a general holiday, being "Labor Day." It will, however, be a labor day or day of labor to most of us who have to scratch for a living, and who pick it up about the same way that a chicken gets its breakfast. Col. Wm. H. Jordan, well known to many Astorians, is now in command of the military post at Fort Clark, the largest in the United States, having a garrison of seven companies of infantry and five troops of cavalry. He is also in command of his regiment, the 19th infantry. The new boat, the Walluski, took a trial trip in front of the city yesterday, and was saluted with a shower of whistles from the tugs and horns fleet. She proved satisfactory in every way to her owners and builders, and is an important addition to the boats that make Astoria their headquarters. Tacoma goes to great length to get an advertisement. The latest effort in that line is that that burg has two chiefs of police. They met on the street last Thursday and had a regular fight, both being locked up. This puts Tacoma away ahead of Seattle. That city can't get up any such attraction as that. Plans are now being prepared at Washington for the new light station at Destruction island, for which an appropriation has already been made by congress. Destruction island is situated on the northern coast line, about midway between Gray's harbor and Cape Flattery. This new light-house will cost about \$85,000. Attached to the station will be a fog signal. The main tower, which will consist of iron, will be 85 feet high. Bids for the contract to construct this station will be advertised for by Capt. Powell, the construction engineer, before long. It will be a first order light. Shortness of breath. DR. FLINT'S HEART REMEDY should be taken at once when slight exertion or a hearty meal produces shortness of breath or a pain in the region of the heart. At all drug-gists, or J. J. Mack & Co., 9 and 11 Front st., S. F. Attention Co. "H." HEADQUARTERS OF CO. "H," O. N. G., ASTORIA, MAY 27th, 1887. "H." Rowell & Co., of New York, have just issued a pamphlet of 108 pages, in which they have undertaken to select about 2,000 out of the 15,420 newspapers named in the last issue of the American Newspaper directory, and to assure the public that the selections made are sufficient for the most extensive advertiser's wants. It is claimed that, although they are in number only about one eighth, yet they actually print more than seven-eighths of all the copies issued by the entire press of America. It is, perhaps, unnecessary to state that among the selected papers which Geo. P. Rowell & Co. specially recommend, The Astorian is accorded an appropriate place. Enjoy Life. A CHILD'S SKIN. Ears and Scalp Covered with Eczematous Scabs and Sores Cured by Cuticura.

MY little son, aged eight years, has been afflicted with Eczema of the scalp, and at times a great portion of the body, ever since he was two years old. It began in his ears, and extended to his scalp, which became covered with scabs and sores, and from which a sticky fluid poured out, causing intense itching and distress, and leaving his hair matted and lifeless. Underneath these scabs the skin was raw, like a piece of beefsteak. Gradually the hair came out and was destroyed, until but a small patch was left at the back of the head. My friends in Peabody know how my little boy has suffered. At night he would scratch his head until his pillow was covered with blood. I used to tie his hands behind him, and in many ways tried to prevent his scratching; but it was no use, he would scratch. I took him to the hospital and to the best physicians in Peabody without success. About this time, some friends, who had been cured by the CUTICURA REMEDIES, prevailed upon me to try them. I began to use them on the 10th of January last. In seven months every particle of the disease was removed. Not a spot or a scab remains on his scalp to this day, and he is now a healthy child. I cannot say enough to express my gratitude for this wonderful cure by the CUTICURA REMEDIES, and wish all similarly afflicted to know that my statement is true and without exaggeration. CHARLES MCKAY, Peabody, Mass. Oct. 6, 1885. I have seen Mr. McKay's boy when he had been afflicted with the Eczema. He was a pitiful sight to look at. I know that he has tried our best physicians, and did all a father could do for a suffering child, but availed nothing. I know that the statements he has made you as regards the curing of his child by the CUTICURA REMEDIES are true in every particular. WILLIAM J. MCCARTHY, 33 Foster St., Peabody, Mass. I do not know of any instance in which the CUTICURA REMEDIES have failed to produce satisfactory results. I have never sold more of them than of any other skin remedies I have ever handled during the thirty-three years of my experience as a druggist. A. D. TRYON, Batavia, N. Y. Sold everywhere. Price: CUTICURA, 50 cents; CUTICURA SOAP, 25 cents; CUTICURA RESOLVENT, \$1.00. Prepared by POTTER DRUG AND CHEMICAL CO., Boston.
