

The Daily Astorian.

ASTORIA, OREGON:

TUESDAY, MAY 31, 1887

It is said that there are lots enough staked out in southern California to provide for the entire population of the city of New York apportioned at the rate of three persons to the lot. It would take more than the combined capital of all the banks of New York to buy up these lots. They have a story down there about lumber, which illustrates the craze. It is said that a gentleman went to a lumber dealer, and desired enough lumber to build a house. He was looked upon with compassion by the dealer, who said to him that there was no lumber for sale. When he asked for an explanation, the dealer replied to him as if he had compassion for his ignorance, that "the lumber was all sold for stakes for town lots."

Take It In Time. A man who presents an appearance of debility, whose countenance is anxious and who is subject to spells of faintness, is liable to sudden death from heart disease. Let him take Dr. FLETCHER'S HEBERT REMEDY before it is too late. At druggists. \$1.50. Descriptive treatise with each bottle; or address J. J. Mack & Co., S. F.

PERSONAL. F. D. Winton returned from Pendleton last Sunday. C. W. Fulton will deliver the Fourth of July oration at Salem.

Famous Women. Madame Trebelli, the greatest of living contraltos who has traveled extensively, in fact visited every county and city of note in the world, has just departed from the slope of the Pacific, and often expressing the greatest admiration for the beauty and grandeur of our scenery and the delightful mildness of our climate, left the following written note as living expression of her opinion in the hands of a Portland druggist, the original of which can be seen on demand.

PORTLAND, Or., April 6, 1887. Dear Mr. Winton:—I have tried your "Robertine," and it gives me much pleasure to say that it is excellent for the complexion, being one of the best articles of the kind I have ever used. Believe me, yours sincerely, Z. TREBELL.

Death of Dr. O'Brien. Dr. John O'Brien, an old and well-known resident of this city, died at six o'clock yesterday morning at St. Mary's hospital, at which place he had been ill for some time. The cause of his death is stated to have been paralysis. Deceased was a native of Ireland, and was 57 years old. The funeral will be from St. Mary's hospital at half past three, this afternoon. The interment will be at Clatsop cemetery.

Their Business Booming. Probably no one thing has caused such a general revival of trade at W. E. Dement & Co.'s Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup, and all throat and lung affections quickly cured. You can try it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.
