secretary of the treasury, which he has stated her business in full to a then held, to further the interests clerk, of the schemers. That letter twitched the fangs from the serpent's mouth, and Alexander Hamof the people. A young lawyer the simple precaution of keeping in the on Nassau street, Theard the other house that benign family medicine and safe day, was victimized by a woman guard of health, Hostetter's Stomach Bitwho sold engravings. He had a should it be kept on hand, as a promp

an and the lawver in the private minutes, apparently in a state of great excitement. The lawyer, it was noticed, became nervous and preoccupied. The woman called every week for four months. Then the young lawyer consulted another in the criminal practice, another in the criminal practice, and revealed the fact that at the third call, which the woman made for the purpose of leaving the engravings, she had asked for \$100 as a gift. If he refused she would go to his wife, to whom he had been married only two years, and tell her that she had been in the habit of calling on him, and that he had conducted himself in an improper manner. He had at first had defied her to do her utmost. Sold by She left her address, however, and said that if she did not receive the money by noon the next day she would carry her threat into execution. He was in a quandary.

be better to pay the money and lion to the order. he did so. A week later she called and demanded \$25 a week as the price of her silence. He weekly paid it for about four months, and then called in the assistance of a criminal lawyer, who at once sent a detective to the office to await the arrival of the woman, who was to come that day. When the woman entered the detective's head was bent over a desk in the outer office, apparently engaged in clerical work. He recturess well known to the police. He allowed her to enter the law- of Matthew's addition to the New yer's private office, get her weekly Testament.-Riverside Press. blackmail and leave without a scene. When she stepped into Goes on the berth immediately and will have good despatch for Liverpool, For freight apply to TAYLOR, YOUNG & CO, or to A. W. BERRY, Portland.

"Well, Mollie, I see you are at your old tricks again, ain't you?" She did not reply. Then he added: "I will trouble you to give me that \$25 you have in your poeket." The woman gave it up at once. "Now," said the detective, "I'm going home with you.

Where do you live?" . They took the elevated road and went to a handsome flat uptown. One of the most hideous pests The door was opened by an o'd of New York is the female black woman, apparently the younger mailer. Many of them invade the woman's mother, and she also had offices of lawyers and business a servant. The surroundings were men as agents for the sale of vari- attractive; everything had the apous portable articles. Stories of pearance of a refined and respecttheir nefarious exploits are heard able home. The detective said to on every hand, but they are sel- the handsome o'd adventuress: dom published.
