High Water at Lewiston.
 At 10:15 A. M., the steamboat
 wharf and warehouse on Snake
 river was raised from its founda-
 tion, and moved off down the river
 in grand style past the town,
 keeping as erect as when first
 built. Two safes were in a small
 building attached, which also went
 with the main building. One of
 the safes was a 1,200 pounder and
 the other a smaller one. No
 money or valuable papers in either.
 When last seen from this city they
 were still moving off in an erect
 position, and in their grandeur.
 They seemed fearful that the
 steamer would not be able to get
 up to Lewiston, and they chose to
 go down and meet the boat.—

 put her into his buggy, and riding

 ily unions.

TRIED IN THE CRUCIBLE.
S.S.S.

About twenty years ago I discovered a little
 sore on my cheek, and the doctor pronounced it
 cancer. I have tried a number of physicians,
 but without receiving any permanent benefit.
 Among the number were one or two specialists.
 The medicine they applied was like fire to the
 sore, causing intense pain. I saw a statement
 in the papers telling what S. S. S. had done for
 others similarly afflicted. I procured some at
 once. Before I had used the second bottle the
 neighbors could notice that my cancer was
 healing up. My general health had been bad
 for two or three years—I had a hacking cough
 and spit blood continually. I had a grave
 pain in my breast. After taking six bottles of
 S. S. S. my cough left me and I grew stronger
 than I had been for several years. My cancer
 has healed over all but a little spot about the
 size of a half dime, and it is rapidly disap-
 pearing. I would advise every one with cancer to
 give S. S. S. a fair trial.
