ASTORIA, OREGON: SATURDAY, JUNE 18, 1887

Astoria got there in great shape.

Dr. W. D. Baker came back from Portland yesterday afternoon.

For a hastily gotten up affair that was a fine reception this morning.

"Astoria fire department teams and the Telephone—the fastest on land and water."

Seattle wants a free delivery post-office and an inspector has been ordered to investigate.

The wife and family of A. B. Weber are visiting his sister, Mrs. C. T. Thomas in this city.

Last Thursday night some thief entered Tom Graves' saloon and stole six or seven dollars in small change from the till.

The white butterfly orchids at Johnson's floral gardens are now in bloom and ladies can see them by calling there.

Work has been commenced on street railroads in Spokane and it is expected that cars will be running about November 1st.

The *Rosalind* discharged ballast at the Main street wharf and went to Knappaud to load lumber yesterday, in tow of the *Canby*.

In Tacoma John A. Lotz has brought suit against the city for \$5,000 for causing the death of his son Ralph, who was killed by a falling embankment a short time since.

A party from Gray's Harbor tells the *Journal* of the existence of a wild man in the woods near Aberdeen, whose appearance is so hideous as to strike with terror all who behold him.

The *Venture* has been lying near Fort Canby since her unsuccessful attempts to go north after seal, and it is said she will be fitted up for coasting between this city and other points.

Capt. A. E. Shaw has received a communication from the Portland Fourth of July committee, requesting Co. "H" to participate in the celebration in that city. It was necessary to decline the invitation as the company have made arrangements to assist in the celebration at home.

The Grand Lodge of Masons which convened in Portland on the 16th inst., have elected the following officers: A. Nasburg, most worshipful grand master; B. Van Dusen, deputy grand master; James F. Robinson, grand senior warden; H. E. Harris, grand junior warden; D. C. McEkercher, grand treasurer; J. F. Babcock, secretary.

Between 7 and 8 o'clock yesterday morning the lookout for the life saving service at the cape discovered a flailing boat capsized and its crew struggling in the breakers on Peacock spit. Capt. Walker and his gallant crew instantly manned the life-boat and went to their assistance, and succeeded in rescuing the crew from a watery grave. The men were fishing for Jos. Hume, and cannot express their gratitude to their deliverers who bravely rescued them from a place no other boat could reach.

The Excursion to Vancouver.

The *Multnomah* left Main street dock at 6 o'clock Thursday morning with some two hundred passengers for Vancouver, where she arrived about 1:30. After witnessing the contests Thursday afternoon, the party started back to this city at 8 o'clock that evening, and all went well till about 2 o'clock yesterday morning when the steamer got aground just above Tongue Point, where she was compelled to remain until about 9 o'clock. The excursionists made the best of a disagreeable situation and some signalled themselves as best they could to keep awake while many improvised beds on the settees and life preservers of the steamer. She landed at the dock about 10 o'clock and a tired lot of people were released from their imprisonment, and thus terminated a trip which was a little too long. The boat did not take quite as large a number as was anticipated, owing to unforeseen circumstances, but the receipts from tickets, together with fares collected from passengers on the down trip, will prevent the excursion from proving a financial loss.

## THE VICTORS AT VANOUVER.

Last Day of the Firemen's Tournament.

The Astoria Boys Have the Muscle and Training to Get There Every Time.

VANOUVER, W. T., June 17.—The State Firemen's association met this morning and elected Gard. Kellogg of Seattle, president; F. L. Parker, secretary; Wm. F. Dugan of Salem, treasurer; B. S. Worsley, statistician; C. W. Falton, first vice president; Wm. McCurdy, Roseburg, second vice president; James Riesing, East Portland, third vice president; J. A. Beard, Lebanon, fourth vice president; John Wentworth, Vancouver, fifth vice president. Board of directors: J. W. Hoffman, Albany, P. W. Weeks, Astoria, T. D. Hart, Walla Walla. Committee on topics: Robert M. Day, Eugene, L. A. Sanctuary, Roseburg, J. A. Preston. The board will meet in Portland in ninety days to select the time and place for the next tournament.

THE CHAMPIONSHIP ROSE RACE. The State Association championship rose race was run at 10 o'clock. Astoria No. Ones made the run in 2:14 4-5; Rescue No. Twos made it in 1:37 2-5; Lebanon, 1:54 3-5.

THE ALBANY BOYS KICK. Upon the judges deciding that yesterday's foot race was a tie, Hoffman stood on the track and announced that the Albany team would not participate because of dissatisfaction with the judges' decision.

THE DISSATISFACTION REMOVED. After the champion rose race was finished, Worsley announced that Parker, of Rescue No. Two, wished that the foot race be awarded to Cameron of Albany. This made the Albany boys feel better; that apparent cause of dispute being thus removed, Astoria No. Ones filed their protest regarding the Lebanons in the Championship rose race, because the coupling fell apart. A recess was taken till 1 P. M.

RESCUES THE CHAMPIONS. The new board of directors met at 12:30 this afternoon, when a motion was unanimously adopted declaring Rescue Twos are declared champions of the association. The rules governing hose company contests, introduced at Salem in 1886 by George Noland, were adopted by sections.

FURTHER CONTESTS. The make-and-break couplings race was not run, there being only one team entering. The hose race, dry test, was participated in by all the companies present. Astoria No. 1, 51 3-5 seconds; Rescue No. 2, 47 2-5 seconds; Lebanons, 49 3-5 seconds; Vancouvers, 52 3-5 seconds; Walla Walla, 46 2-5 seconds; Albany, 52 3-5 seconds.

STRAIGHT-AWAY RACE—NARROW ESCAPE. Speed race for hose companies, straight away, was next. In this race Wm. Kinney had a narrow escape. He fell, but rolled to one side and the wheel of the cart grazed his head. Rescues No. 2, 28 1-5; Lebanons, 30 4-5; Vancouvers, 29 3-5; Walla Walla, 30. The judges and time keepers met immediately after and made awards to the winning teams. They gave a special \$25 prize to the Walla Walla team for coming the furthest distance. The board of directors then met and approved the action of the judges except in the protest of Lebanons, and in the speed race was awarded to Rescues, and second prize in championship awarded Astoria No. Ones.

THE WIND-UP. Some bad feeling was manifested at the close, but no more than usual on such occasions.

It is manifestly impossible to have every one suited where so many compete.

There was a dress-parade of the garrison at six o'clock.

The returning Astoria delegation left on the Telephone for home at 8 o'clock, every one feeling good.

Attention Select Knights of A. O. U. W. Each and every one of you are hereby notified to appear at our hall on next Thursday evening, June 23rd, at eight o'clock P. M., for the purpose of transacting business of importance.

By order of the Commander, R. L. BOYLE, Recorder.

Announcement. James I. Hixson, representing the traveling tailor establishment of Gordon Bros., 13 Kearney street, San Francisco, has arrived in Astoria and will remain at the Occident hotel for a few days, and have on exhibition a full line of sample goods for gentlemen's wear, suitable for the present and coming season. Those wishing first-class custom-made clothing will do well to give him a call. He is the only scientific, practical cutter who has taken diplomas in the principal cities of the east for correct measuring, skillful labor, a perfect fit, and who is soliciting orders.

There are a great many adventures traveling who are not tailors and who do not represent a responsible house, who cannot take a correct measure, subjecting the people to a great annoyance and loss. Hoping that the public will encourage a scientific man to do their work, Mr. Hixson is recommended.

## ACROSS LAND AND SEA.

Steamer Burned With Loss of Life.

Speculators Picking Each Others' Bones in Chicago.

CHICAGO, June 17.—The steamer *Champlain* was burned last night off Charlevoix, Michigan. The boat was running ten miles an hour when the flames suddenly started up from under the engine, driving the engineer from his post with his clothes on fire. The alarm was given and the sleeping passengers aroused and in ten minutes from the time the boat caught fire the passengers were all compelled to jump into the lake. The steward says there were fifty-seven persons on board, including the crew. Of this number twenty are known to be drowned and seven are unaccounted for. Those saved floated for an hour and a half when they were rescued by a yawl and fish boats from shore. Several of the crew were badly burned. Seven bodies have already been recovered. The *Champlain* was valued at \$100,000.

SUSPICIOUS BAGGAGE. DUBLIN, June 17.—The custom authorities at Queenstown, in examining the baggage of passengers of the steamer *Adriatic*, had their suspicions aroused regarding the contents of a wooden box belonging to a passenger named Peter Coy. In it was found a number of packages which contained a substance that looked like an explosive, and it was decided therefore to arrest Coy and hold him pending an analysis of the contents of the packages. Coy protested against his detention in Bride-well. He says a friend of his in America gave him a box of explosives to take to Rosserod.

OVATION TO O'BRIEN. DUBLIN, June 17.—Wm. O'Brien, editor of *United Ireland*, who arrived at Queenstown to-day, received an ovation: Scores of deputations from various places in Ireland were at the landing to greet him and to escort him to his hotel. An immense crowd gathered in front of the hotel, and O'Brien addressed them, alluding to his American experience and thanking them for his cordial reception. After receiving addresses from deputations this afternoon he will go to Cork, where he will be tendered the freedom of the city.

It is thought both vessel and cargo will be saved.

RETURN OF THE CHAMPIONS. Astoria Welcomes the Victorious Representatives of Her Fire Department.

All day yesterday brooms were going up the flag-pole on No. 2's engine house until the pole looked like one gigantic broom. The enthusiasm ran high as successive dispatches reported the glorious performance of Astoria's fire department. Torches and illuminators were prepared, the band was engaged and when the Telephone came playing around Tongue Point tops of the fire bell called the members of the department and citizens out to give our fire boys a reception their splendid performance merited. The Telephone left Vancouver at six minutes past eight yesterday evening and blew her whistle in front of the city at twenty-nine minutes past twelve, making the run in four hours and twenty-three minutes. Astoria was on hand to greet with hearty welcome the returning Astorians. When the boat came to the dock the Western Amateur band was there playing lively tunes, the fire department and citizens were drawn up in torch-light procession, and escorted the returning teams to their engine-houses, which were brilliantly lighted up. Though the hour was very late, a lunch was served, the boys were congratulated on their success, and hand-shaking, speeches and cheers were kept up till after 1 o'clock this morning. Astoria is proud of her firemen, their victories, their good temper and hearty co-operation and signal success in this as in preceding tournaments.

THROUGH the medium of one of your books received through Mr. Frank T. Wray, Druggist, Apollo, Pa., I became acquainted with your CUTICURA REMEDIES, and take this opportunity to testify to you that their use has permanently cured me of one of the worst cases of blood poisoning, in connection with erysipelas that I have ever seen, and this after having been pronounced incurable by some of the best physicians in our county. I take great pleasure in forwarding to you this testimonial, unsolicited as it is by you, in order that others suffering from similar maladies may be encouraged to give your CUTICURA REMEDIES a trial.

SCROFULOUS ULCERS. James E. Richardson, Custom House, New Orleans, on oath says: "In 1870 Scrofulous Ulcers broke out on my body until I was a mass of corruption. Everything known to the medical faculty was tried in vain. I became a mere wreck. At times could not lift my hands to my head, could not turn in bed, was in constant pain, and looked upon life as a curse. No relief or cure in ten years. In 1887 I heard of the CUTICURA REMEDIES, read the testimonials, and was perfectly cured." Sworn to before U. S. Com. J. D. Crawford.

ONE OF THE WORST CASES. We have been selling your CUTICURA REMEDIES for years, and have the first complaint yet to receive from a purchaser. One of the worst cases of Scrofulous Ulcers was cured by the use of five bottles of CUTICURA RESOLVENT, CUTICURA, and CUTICURA SOAP. The man takes the "cake" here as a medicinal soap.

Choking Catarrh. Have you awakened from a disturbed sleep with all the horrible sensations of an assassin clutching your throat and pressing the life-breath from your tightened chest? Have you noticed the languor and debility that succeed the effort to clear your throat and head of this catarrhal matter? What a depressing influence it exerts upon the mind, clouding the memory and filling the head with pains and strange noises! How difficult is it to rise in the morning, passages, throat and lungs of this poisonous mucus all can testify who are afflicted with catarrh. How difficult to protect the system against its further progress towards the lungs, liver and kidneys, all physicians will admit. It is a terrible disease, and cries out for relief and cure.

The remarkable curative powers, when all other remedies utterly fail, of SASSPARI'S CATARRH CURE, are attested by thousands who gratefully recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most respectable and reliable references.

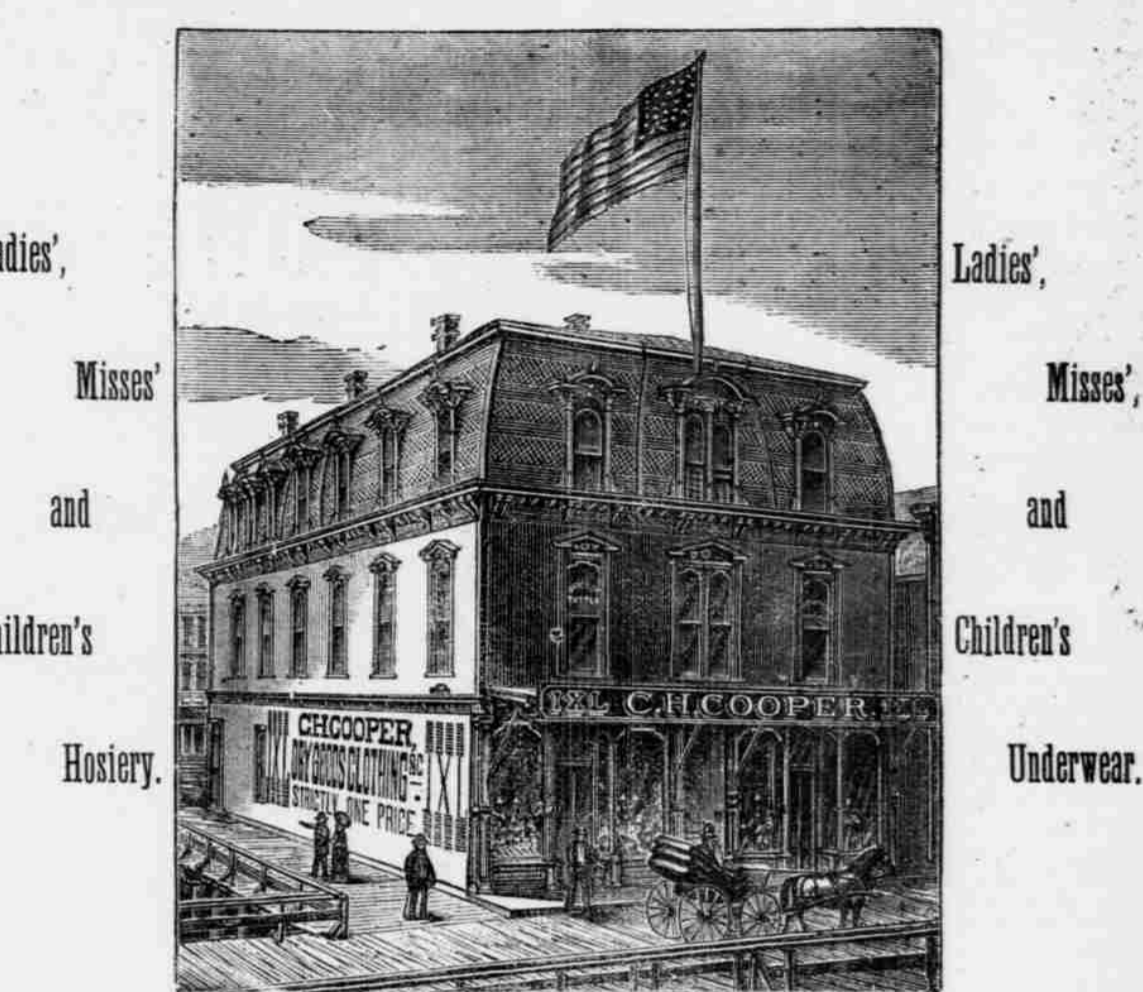

Each packet contains one bottle of the CATARRH CURE, one box of CATARRHIC SOLVENT, and an HARVEY'S INSULATOR, with treatise and directions, and is sold by all druggists for \$1.00.
