**IN THE ISLAND KINGDOM.**  
Two British men-of-war have been ordered to Honolulu. Affairs in the Hawaiian kingdom are assuming a serious aspect, and it is evident from the attitude of local capitalists who have interests in the islands, trouble is looked for. The cause of the trouble is primarily found in the reckless extravagance and mismanagement of King Kalakaua and his ministers, but back of it is the determination of the large colony of foreigners, nearly all of whom have capital invested in plantations and vessels, to change the existing unstable government to one of sufficient strength to give them some protection.

King Kalakaua's expenditures of late have been outrageously out of proportion to the resources of the kingdom. The national treasury has been hopelessly bankrupt for months, but Kalakaua has never diminished his outlay in the least, and matters have come to such a pass that a revolution will come in a few weeks unless a heroic remedy is applied. Minister Gibson is unpopular, and will have to go at the outset. The planters insist that the king relinquish his favorite project of establishing an island empire, with the Hawaiian group as the central figure, and recall his four-knot man-of-war, now on the way to Samoa, and on board of which a drunken row occurred the night before departing.

A citizen of Raymond, Kan., bet \$5 that he could eat 48 raw eggs inside of thirty minutes. He won the money, and then showed that he had a big heart as well as a big stomach by giving the \$5 to a man who lost his foot by the cars recently. He now wants to bet that he can eat six dozen raw eggs inside of two hours and a half.

Never box a child's ears. The drum of the ear is of paper-like thinness; it may and has been, in numbers of cases, ruptured by a single slap on the side of the head, incurable deafness resulting. Says an eminent physician: "All strokes on the head of children with an angry hand are brutal and criminal."

Jack Shaw, a noted Republican politician of Shamokin, Pa., has not worn a coat for two years, and does not expect to don one before March 4, 1889. Jack is one of those reckless men who make vows, and when president Cleveland was inaugurated he swore he would never wear a coat while a Democrat remained in the White House.

Two women engaged in a prize fight at Sussex, England, Sunday, and one of them died in the ring from her injuries. The Massachusetts legislature last week refused by a vote of 135 to 73 to adopt the prohibitory amendment.

**HOW TO CURE A BOY OF CROUP.**  
Mrs. Samuel Nutt, of South Haven, Kansas, tells how she saved the life of her boy. I have been using ALLCOCK'S PLEASANT PLASTERS for the last ten years, principally for a weak back. Not long ago I found my son very much inclined to croup. He had a bad croupy cough, and a wheezing sound in his lungs every time he breathed. He nearly died from the obstruction of the throat. I covered him from the throat to the pit of the stomach with ALLCOCK'S PLEASANT PLASTERS. In two hours the cough ceased and his breathing was much easier. In a few days he was entirely well. I kept the ALLCOCK'S PLEASANT PLASTERS on him six days. Since then, whenever he is affected with colds in the throat, I never use anything but an ALLCOCK'S PLEASANT PLASTER, which cures him immediately, without any inconvenience. They are the best preventative of the croup ever known, and I would not be without them for any consideration.

It is said of the poor whites of North Carolina that when they move, all they have to do is to pour a dipper of water on the fire and call the dog. **Bucklen's Arnica Salve.** THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by W. E. Dement & Co.

The fastest sheep shearing ever done in the territory was accomplished near Sprague this week for Coolidge & Renshaw, of Colfax. Twenty-one men sheared 2,380 sheep in one day, eight of the number being bucks. The highest tally was made by Joe Burlingame, of Pomeroy, 174 sheep. Gordon Burlingame sheared 160.

In Minneapolis the girls have formed a society with the motto: "The lips that touch wine shall never touch mine." It is now declared that the young men all imbibe through a straw. The Sultan of Morocco has one thousand wives. Solomon only had seven hundred. But Solomon was a wise man—he knew when he had enough. The Mackay-Bennett cable lines have determined to reduce the rates from London and other European cities to Pacific coast points one-half.

Ladies will find relief from headache, costiveness, swimming in the head, colic, sour stomach, restlessness, indigestion, constant or periodical sick headaches, weakness in the back or kidneys, pain in the shoulders and different parts of the body, a feeling of lassitude and despondency by taking Simmons' Liver Regulator. It is not unpleasant, is purely vegetable, and is not injurious to the most delicate constitution. Last year there were 151,802 miles of the United States and 480,607 miles of wire.

Old and reliable Medicines are the best to depend upon. Acker's Blood Elixir has been prescribed for years for all Impurities of the Blood. In every form of Scrofulous, Syphilitic or Mercurial Diseases it is invaluable. For Rheumatism, it has no equal. J. W. COBB.

Mr. Reade used to say that a woman "likes best a ruffian who ill-uses her, but with intervals of tenderness."

**At Night** Always have Acker's Baby Soother at hand. It is the only safe medicine yet made that will remove all infantile disorders. It contains no Opium or Morphine, but gives the child natural ease from pain. Price 25 cents. Sold by J. W. COBB.

Men's and Boy's White Shirts.  
I desire to call your attention to one of the best fitting, most improved, and best value in Men's and Boy's undyed White Shirts ever offered to the trade, they are made with pure linen bosoms and cuff bands, reinforced (double cloth) from the bosoms to the side seams, and are made with the patent continuous strip in the back, enabling the wearer to put on a shirt without the possibility of tearing it down the back, also protecting the garment in the process of laundering. The sales of this make of Shirts was unprecedentedly great from the period of their introduction, and the fact that these improvements do not add to the selling price, so much increased the demand that the Manufacturers were compelled to double the size and capacity of their factory.  
These undyed white shirts I am now offering as follows:  
Men's (Sizes 14 1-2 to 17) 75 cents each.  
Boys' (Sizes 11 1-2 to 14) 50 cents each.  
Complete lines in CLOTHING, HATS, CAPS, FURNISHING GOODS, TRUNKS and VALISES, at the very lowest cash prices.
