MARTIN OLSEN.

That Terrible North Coast.

SAN FRANCISCO, July 1.—Lieut. George M. Stoney, of the navy, who achieved a reputation as an Arctic explorer, assumed charge of the hydrographic office in this city this morning. The detail is for three years.

Lieut. Milton's administration of affairs has been satisfactory and efficient from the time he established the office three years ago. He will probably be ordered east. The rules of the department do not permit of the same officer being kept at one station longer than three years. Lieutenant Milton has just completed his annual report to the chief hydrographer. The extraordinary number of disasters during the year and the frightful loss of life and property on the Vancouver coast and off Cape Flattery are made the subject of a special action. The disasters occurred mainly during heavy southwest and southeast gales, and some of them, it is thought, were due to captain's avoidance of the Vancouver coast. Sailing directions for Clayoquot and Barclay sound should be provided, and property might be saved. During the storm of April 1st bark *Elsinor* found a refuge in Barclay sound, while the *St. Stephen*, not knowing the coast, foundered with all hands. The report closes with a tabulated statement of the routine work of the year.

It will soon be dangerous to go into the country after dark for fear of getting tangled up in one or more of the many surveyed railroad lines. Then, again, surveying parties are getting so thick they hinder the farmers in their work.—*Watertown, D. T., Public Opinion.*

HEART DISEASE

Headache. DR. FLINT'S HEART REMEDY is one of the best remedies known for headache, which is often dependent upon disease of the heart, sometimes upon nervous disease, and sometimes upon derangement of the circulation.

Convulsions. DR. FLINT'S HEART REMEDY at once causes convulsions to cease, and by a proper use of the medicine will prevent their recurrence, either in children or adults.

Delirium. DR. FLINT'S HEART REMEDY, when given in cases of delirium, calms the excited brain, and by securing rest for the sufferer, promotes the restoration of health.

A Double Influence. DR. FLINT'S HEART REMEDY is a medicine which will cure cases of Neuralgia which other remedies have failed to reach, as it exercises a double influence, in one case over the circulation, and in the other over the nerves.

At druggists. $1.50. Descriptive treatise with each bottle; or address

S.S.S.

About twenty years ago I discovered a little sore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
